Tom Bassett

Bruce,

Well its been a good year all in all even if you didn't get Keith in the water fight. I have one thing to say. If you want to get smart, drink beer, it made Budwiser. So long, & have a ball this summer but don't get caught.

Bruce,

Hi, How are you? I'm fine Yea Well, Has the Oliver been treating you? Our friend Rog has been pretty busy. Remember at the football game when that cop caught us with the booze. That was really funny. Boy, I thought I was going to die. Well, maybe we'll get together this summer and get really smashed. Have a great summer and if you get a lot of booze, give me a call. Have a great summer and if you're lucky I'll see you next year.

Best guy in the world next to Rog.

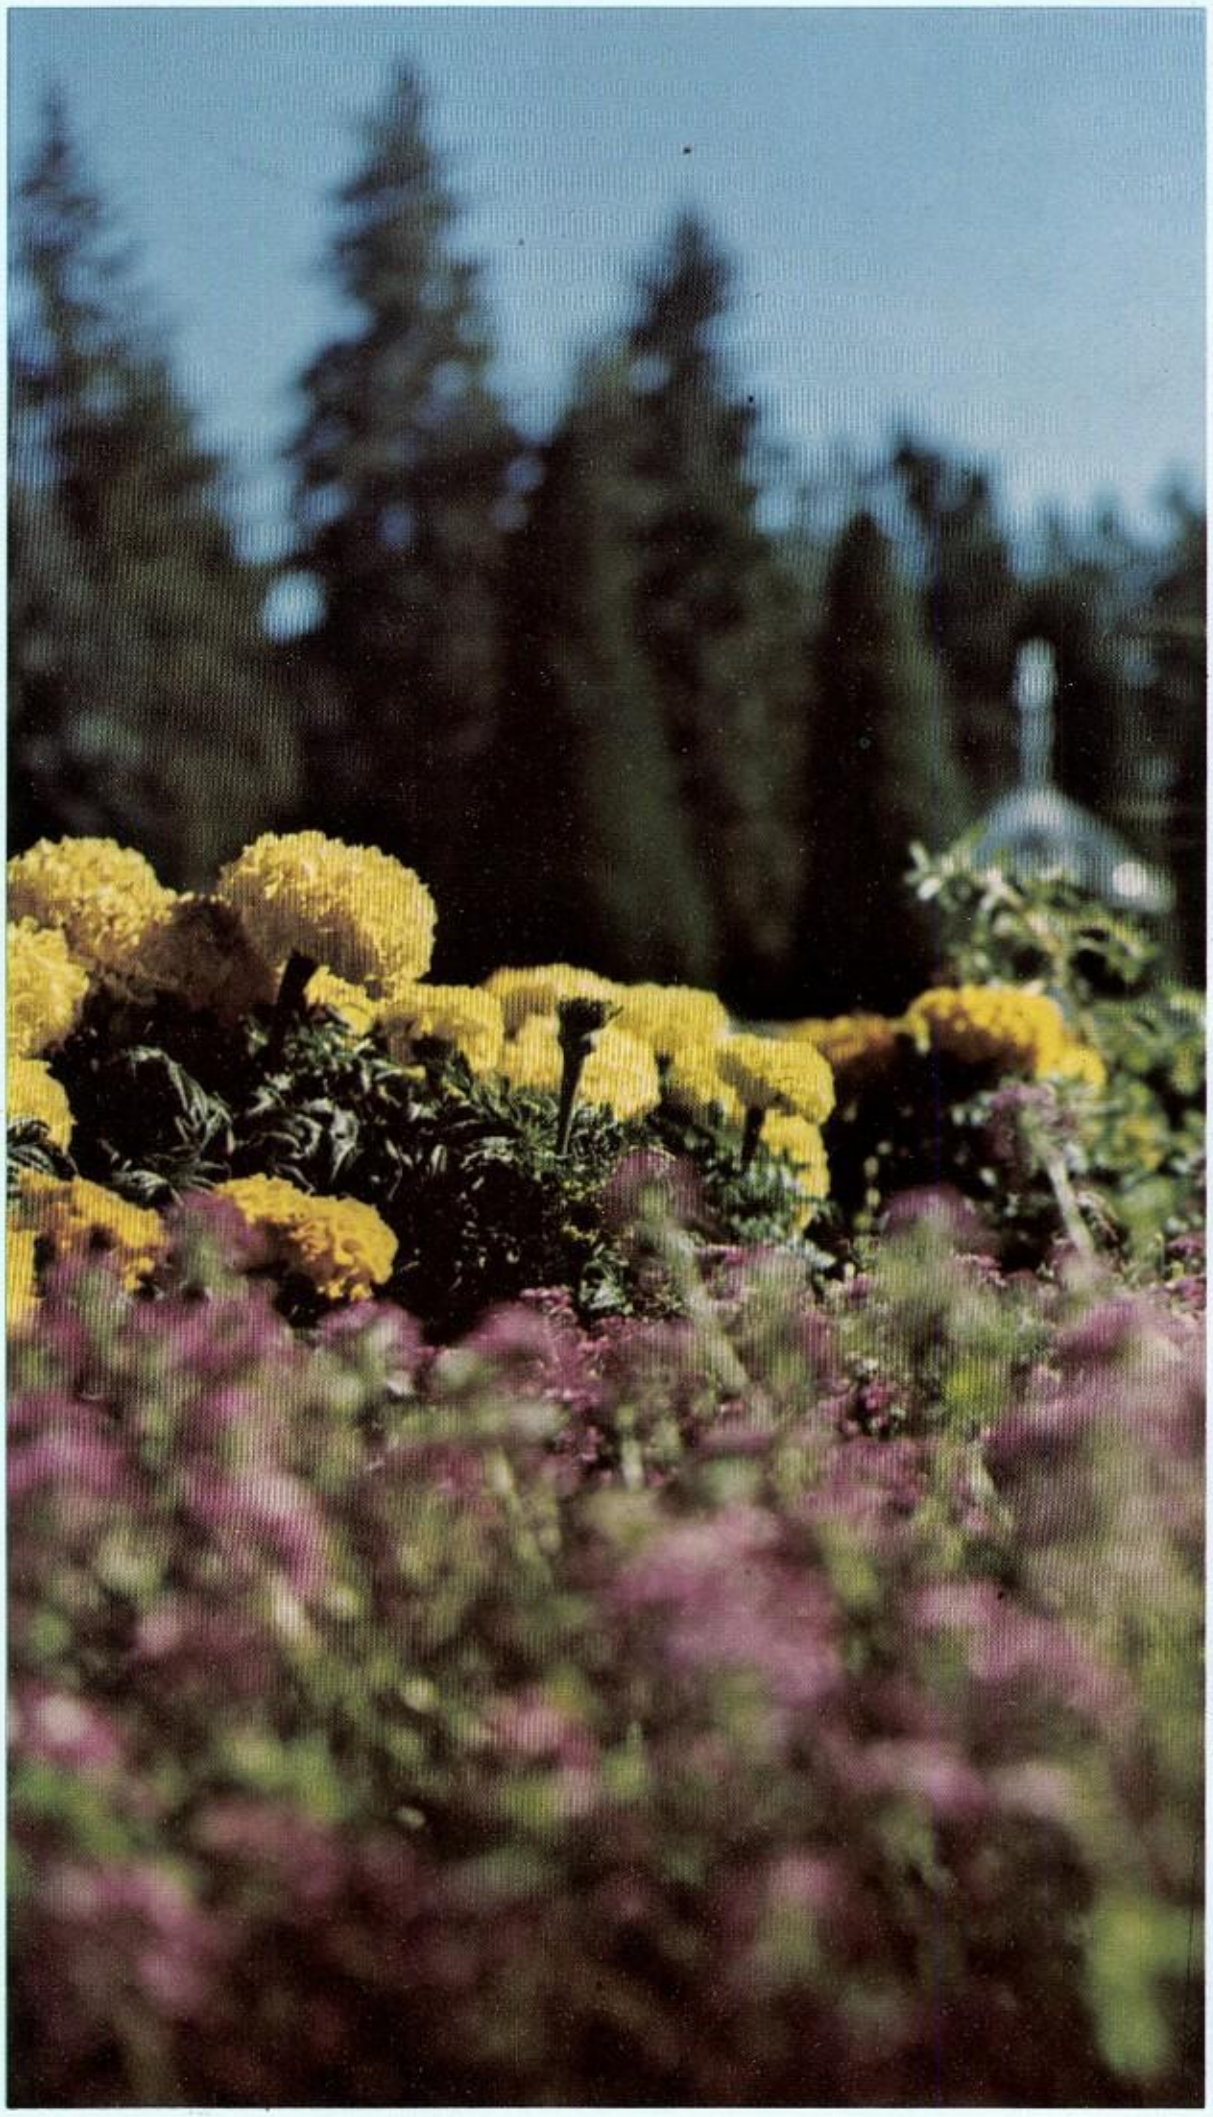
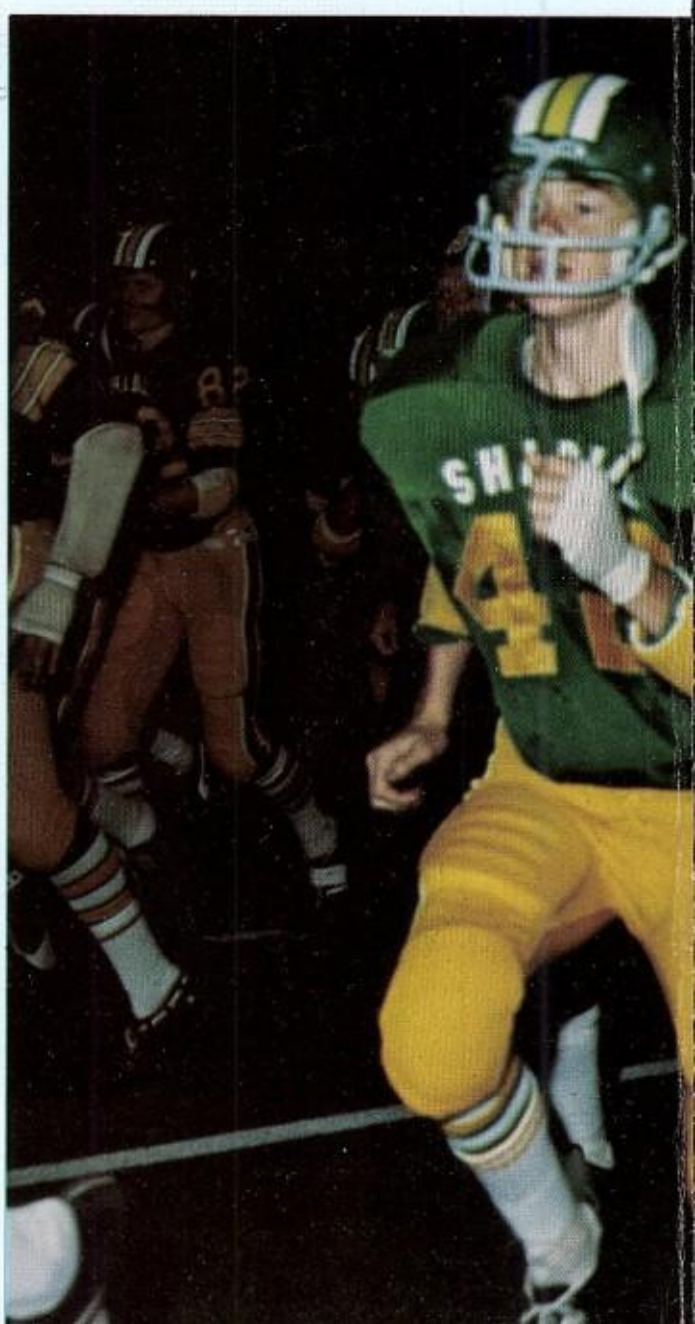
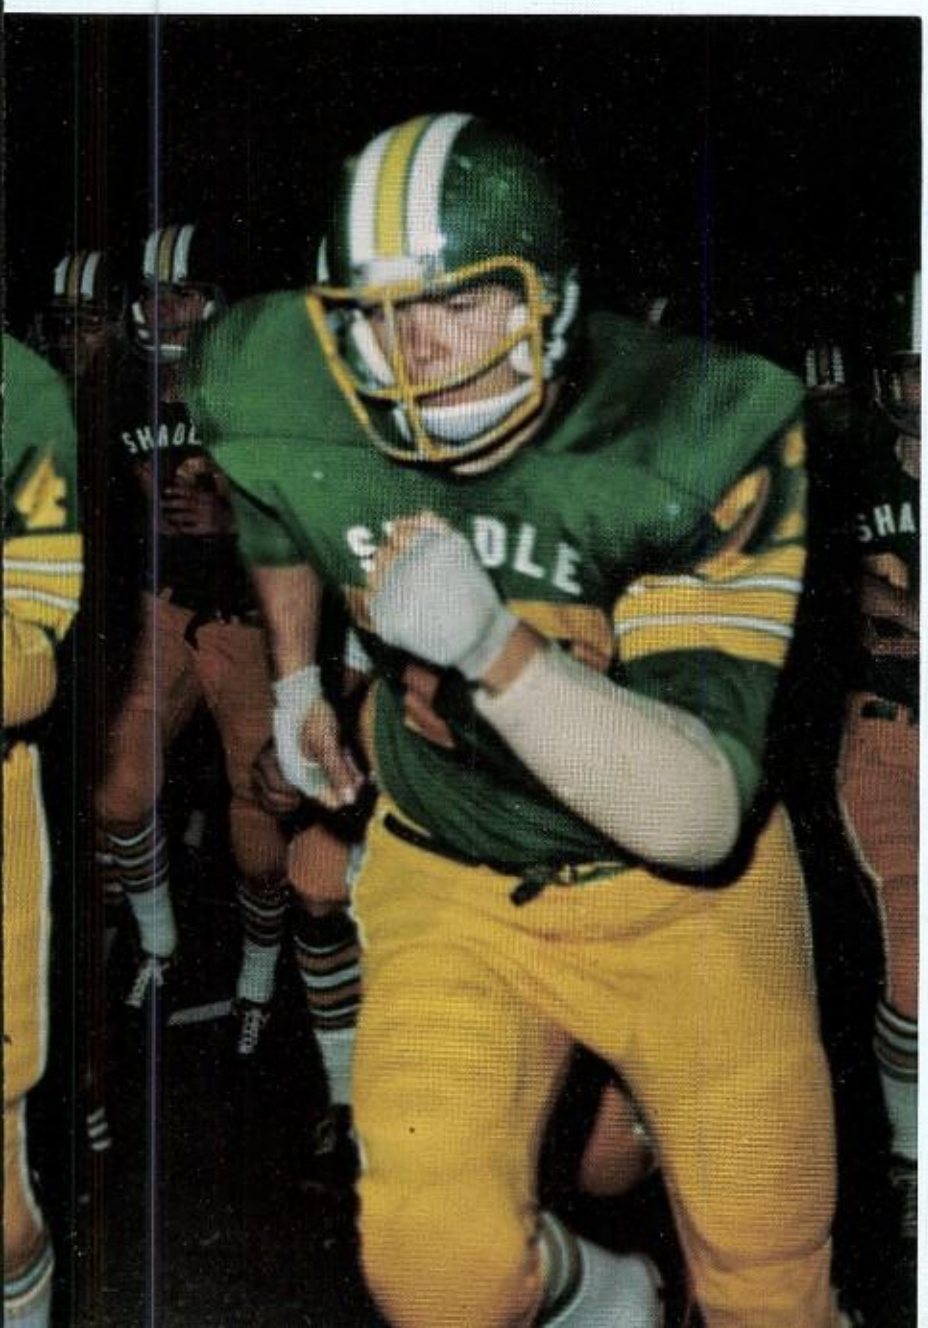
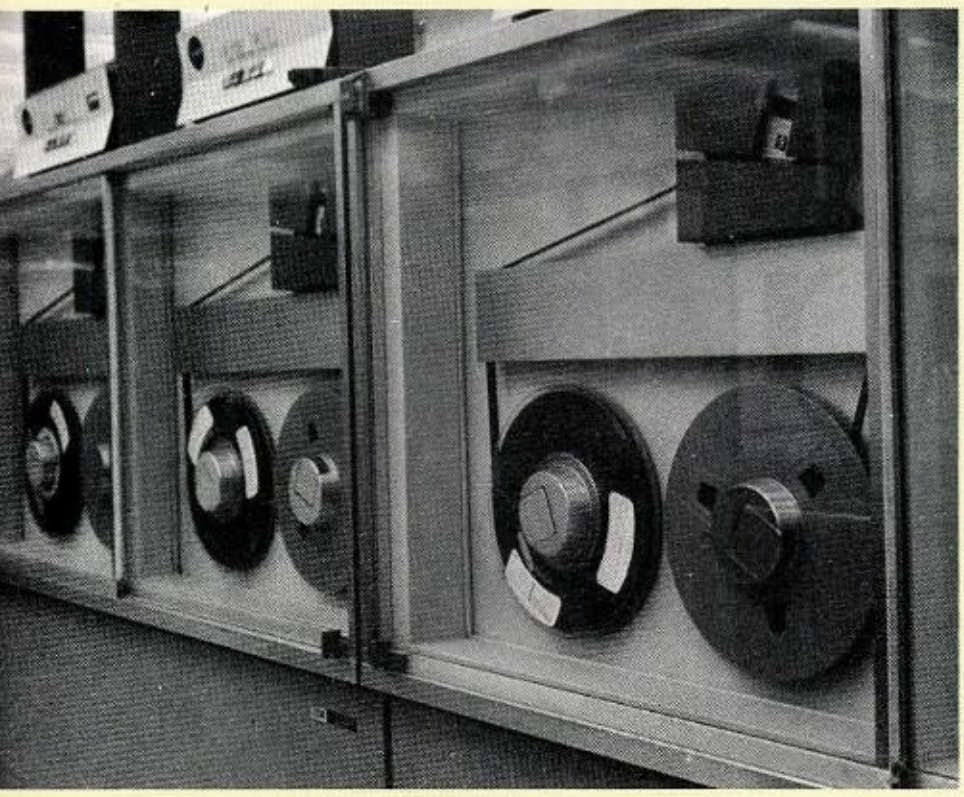
Shadle Park High School!
Where Have You Been. . ?

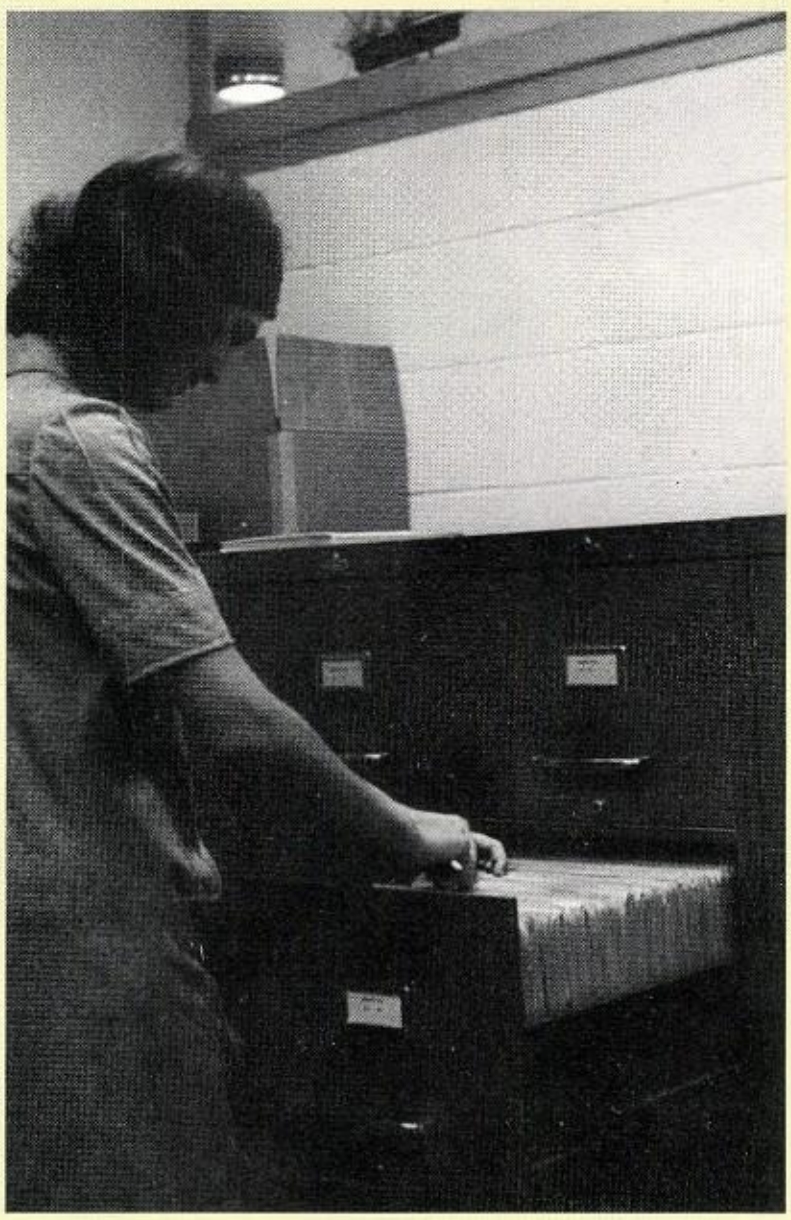


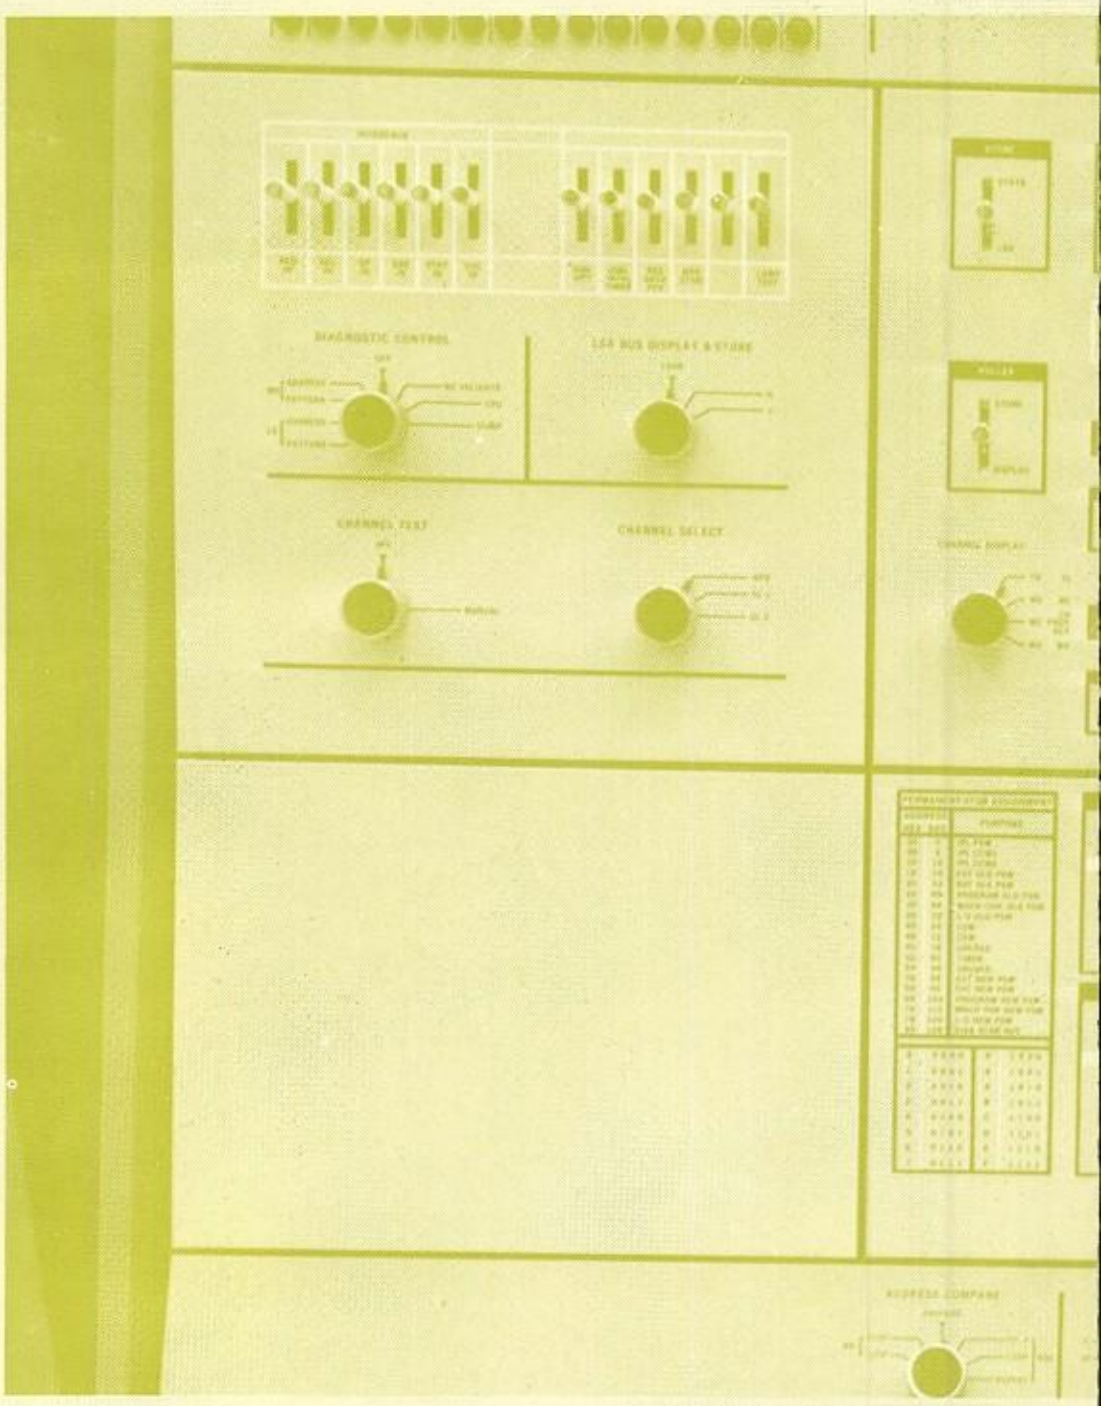


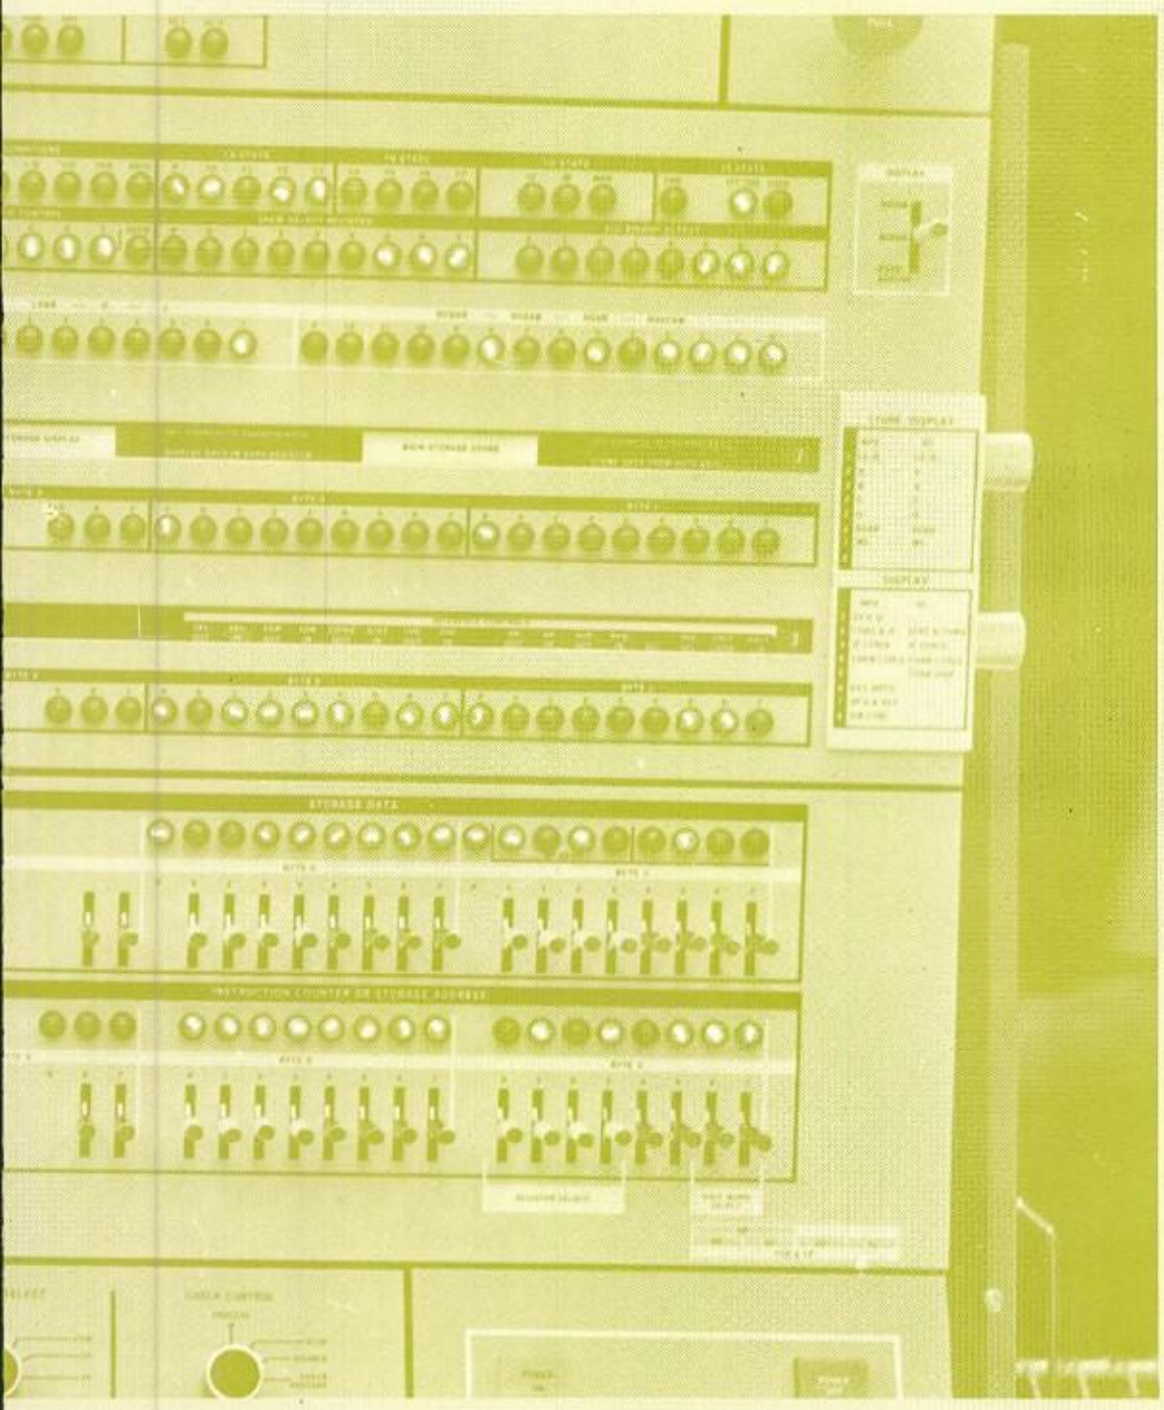


On September 7, 1971—
twenty-four hundred dazed, sunburned faces gaped
and complained
at our over-populated halls.
Sophomores,
trying not to act
like sophomores,
clung to their homerooms until the bell.
Juniors,
trying to act older than
juniors,
escaped that eternal hour of
alphabetization,
announcements,
and schedule cards. ("I didn't sign up for THIS last year!")
Seniors—
finding it hard to believe that they were the
seniors—
couldn't decide whether to stay . . .
or leave early.









FOR YOUR INFORMATION HERE
IS YOUR FIRST DAY SCHEDULE:

We have a variety of people here—
and, on the whole,
we're pretty nice kids.
Some have
long hair, short hair, medium hair,
and shaggy hair.
We wear
minis, midis, maxis, culottes,
faded blues, bells, flares, and hot pants.
Suede shoes, red, white and blue shoes, harness boots
and boat shoes.

We have our share of interests, too. Some go out for
baseball, track, swimming or golf.
Some of us belong to ASB, GL, Pep Club, Rifle Club,
Home Ec, Power Mech,
and any (or all) of the language clubs.

And, some of us don't belong to anything
or compete for anyone.
For us, school starts at 8
and ends at 2:30.
And, for some of us, even that's too long,
so we have an early dismissal.

Others of us barely get home between days because
we're so busy.
We plan the cons, proms, dances and
usually attend
everything.
To each his own.
And That's the way it is,
in '72.

Faculty—
Eighty-nine teachers were at Shadle this year,
and only two were brand new.
But, somehow, even some of

ASB Adopts Meeting Format

Adopting a new format for A.S.B. meetings, President Paul Anderson filled the fall agenda with topics as Hi-lander Week; policies concerning married couples; and Hope Walk, which is held each year to raise money for the ship Hope and Big Brothers.

Senior Cove, given to the student body last spring for a Student Lounge, was closed twice last fall by the A.S.B. because of damage to furniture. Because of students' failure to maintain the lounge, it was given back to the seniors for a Senior Cove. In turn, succeeding senior classes will furnish the Cove with new and sturdy furniture.

Subject Orientation Day, which was started last year by the A.S.B. at the request of students, was continued for students who wanted to know more about subject offerings before semester registrations.

Above: Taking time off from A.S.B. work, Treasurer Jeff Conlon, Secretary Connie Davis and President Paul Anderson feed the ducks at Manito, while Fifth-executive Phil Yamauchi and Vice-president Dave Flack take time to have their picture taken at an A.S.B. meeting (right).

Spirit Con Starts Highlander Week

Opening Highlander Week last fall was the "Hi-Student Day" convocation featuring comic imitations of some of the usual, and not-so-usual, pranks of "Hi-Lassie" and "Hi-Laddie" days. On "Hi-Teacher Day" all of the teachers received corsages and boutonnieres from the students. Also, a "Favorite teacher" was voted for in homeroom, with Mr. Don Miller winning top honors. A spirit contest continued throughout the week with each homeroom decorating a window somewhere on the first floor. Homeroom 222 was awarded a prize at Friday's pep con.

Featuring SUNDANCE, the Highland Fling wrapped up this spirit filled week. "Highland Hills and Heather" was the theme that the Pep Club chose for their annual mixer, held on Saturday of Highlander Week. Names of the friendliest boys and girls were announced at intermission. Patty Genova and Dan Ellis were chosen as the friendliest seniors. The friendliest juniors were Renee Marburger and Ron Brooks, and the friendliest girl and boy of the sophomore class were Rhonda Ridnour and Derick Soo. (Friendliest pictures are by Dorian Studio).

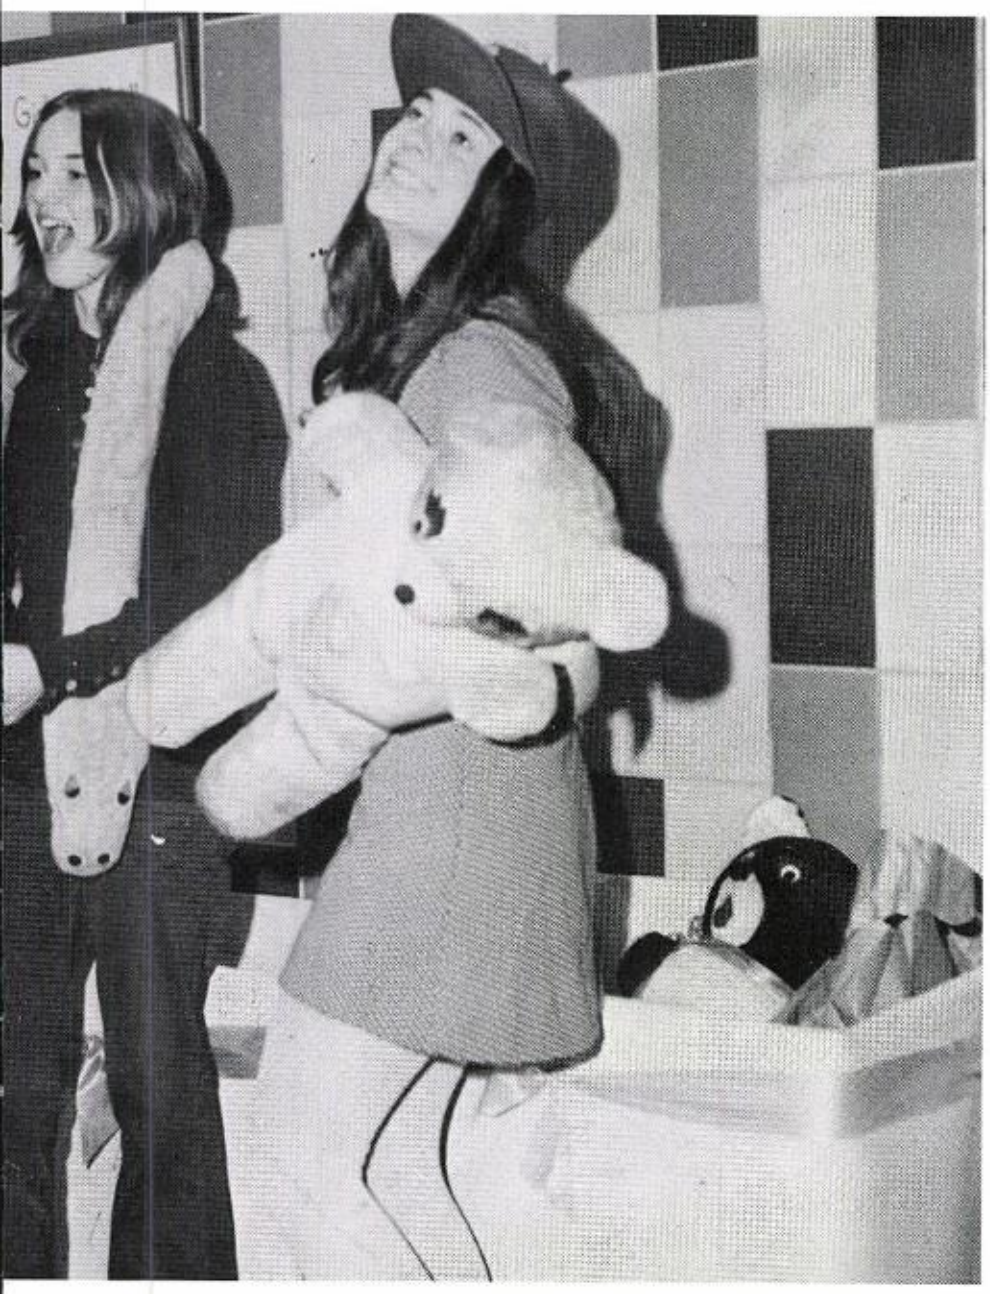
(above) Janie Countryman and her father receive their free dinner, corsages and pictures from the "Mr. America and Me" Contest (bottom right).



GL Con Starts Off Busy Fall Schedule

Heading a busy schedule of events this fall, big sisters introduced sophomore girls to Shadle at the Big-Little Sister Con. Girls' League activities were planned by President Karen Bell, Vice-President Linda Cameron, Secretary Jan Dickson, and Treasurer Annette Naccarato.

BLIND OWL was featured at the annual Sadie Hawkins Dance. Best costume award was given to Vicki Miller and Bruce Gumm who were dressed in "outhouse" attire.

"Mr. America and Me" themed the Dad-Daughter dessert which featured volleyball, jolleyball, and a fine entertainment program. Senior Janie Countryman and her father won the "Mr. America and Me" Contest.

Karen McKee was chosen October Girl of the Month for her active participation in Girls' League programs and volunteer work around school. Karen also helped to bring about the successful Big-Little Sister Con at the beginning of the year.

Kathy Mitchell, active in drama, was selected for Girl of the Month in November. Kathy was in Children's Theatre and UP THE DOWN STAIRCASE. She is also involved in Shadle's music programs.

Denise McCoy was honored with the Girl of the Month award in December for her accomplishments in the field of music. Denise is in Jazz Lab Band, Orchestra, and she also played solo in the Pop's Concert.

Eighth Cheerleader Added to SP Line

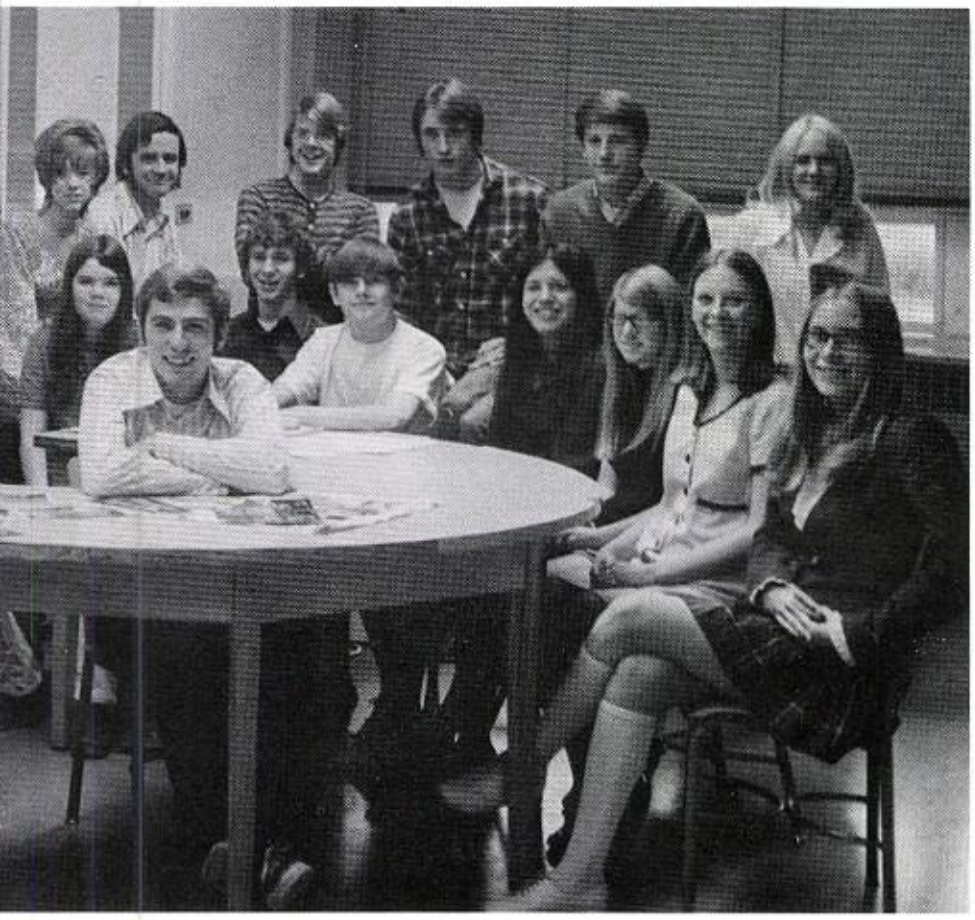
Since 1957, Shadle has had seven cheerleaders who were chosen by the ASB council. But due to a tie in the ASB's balloting last spring, an eighth girl joined the SP spirit line for the first time this fall.

After winning the spirit stick at a summer cheerleading camp in Ellensburg, the cheerleaders perfected their cheers, and got new sweaters (or dyed the old ones) all before the first football game in September.

Some of the cheerleader's other activities included—being tackled by a football player; packing all eight girls, 16 pom-poms, cokes, and coats into Barb's '65 VW; toilet-papering the Ferris cheerleader's houses at midnight; waking up at 5, having breakfast at 6, a pep con at noon and cheering at the 8:30 game. They also got things thrown at them when they exchanged sides at half-time, forgot a cheer, received goodies from the managers, and found out that Donna was the first red-headed cheerleader.

Shadle Park's 1972 cheerleaders included: Top row: Donna Barker, Paula Urness, Debbie Fichera, Sue Damrell. Bottom row: Karen Klohe, Barb Michaelsen, Sue Miller, Jacci Cooke.

Lynne Zirkle and Karen Cameron (top left) work on finances. (top center) Tom Johnson, editor, works diligently on layouts and (lower left) Mr. Vander Wegen and Mr. Clark ok copy. (top right) Photographers are from left to right; Steve Ostlie, Don Davis, Ken Pilcher, Cheri Hinchliff, Jim Waite, Dan Lynch, Bill Geisler, Jim Miller, (above) Annual Staff: Front row: Vicki Miller, Tom Johnson, Second row: Kris Box, Lynne Zirkle, Jan Roberton, Ken Pilcher, Ken Stevens, Cheri Lewis, Cheryl Jones, Nadine Koznek, Lorraine Bryan, Third row: Janis Sigman, Karen Cameron, Robyn Roehm, Kathy Cook, Randy Hill, Dave Zeske, Sue Ballinger, Tom Lathen, Greg Kemmis, Nick Theisen, Keith Snyder, Ruthanne McWilliams.



'72 SPORRAN Staff Uses New Layout

This year the Sporran Staff tried a new type layout, focal point. The main purpose is to draw the eye to the most important picture on the page. The staff took a trip to Pasco last fall to see how the book was printed. Since Shadle's one of the first schools to use this type layout, our book is being used as a demonstration book by the publishers.

The staff includes: Editor, Tom Johnson; Assistant Editor, Lynne Zirkle; Layout Editor, Robyn Roehm; Copy Editor, Greg Kemmis; Business Manager, Lynne Zirkle; Advertising Editor, Karen Cameron; Photography Editor, Janis Sigman; Sales Manager, Randy Hill; Seniors, Sue Ballinger; Ed., John McQuade; Underclass, Kathy Cook, Ed., Dave Zeske, Kris Box; Activities, Seana Rooney, Ed., Jan Robertson, Lorraine Bryan, Randy Hill; Clubs, Cheri Lewis, Ed., Tom Lathen; Sports, Keith Snyder, Ed., Nick Theisen, Ken Stevens; Faculty and Administrations, Ken Pilcher, Ed., Vicki Miller; Index, Nadine Koznek, Ed., Cheryl Jones. Photographers, Don Davis, Ken Pilcher, Steve Ostlie, Cherie Hinchliff, Jim Miller, Jim Waite, Fred Peterson, Bill Geisler, Dan Lynch, Ruthanne McWilliams. Advisors, Mr. Ted Clark and Mr. Pete Vander Wegen.

Hi-Lander Hi-Lites Informs Students

The newspaper, HI-LANDER HI-LITES, came out every other Thursday this year. It contained news of the students, clubs, and athletes of the past two weeks who have done something of interest in the school. Also included were timely articles about current issues that involved students on and off campus.

Helping to get the paper out on time are: Executive Editor, Jon Troyer; Assistant Editor, Ken Pilcher; News Editor, Lyn Jones, Asst. News Editor, Nadine Koznek; Editorial Editor, Dick Morphis, Asst. Editorial Editors, Nancy Weaver and Marilyn Freeman; Feature Editor, Bill Geisler, Asst. Feature Editors, Stephanie Richardson and Kathy Price; Sports Editor, Jeff Wright, Asst. Sports Editor, Kathy Dixon; Circulation Editor, Debi Hoffman; Business Manager, Tracy Mead. Photographers, Don Davis, Dan Lynch, Steve Ostlie, Fred Peterson, and Cherie Hinchliff. Advisor, Pete Vander Wegen.

Groups Study; Travel Abroad

For better understanding of world interests and problems, nine Shadle students visited foreign countries last summer. Many different travel programs are offered to students every year. These programs are to promote better international understanding, to exchange ideas with students and adults of other countries and to develop enrichment of mind and spirit through insight and empathy.

Seniors Dave Ward and Melanie Skelton spent six weeks visiting Europe and Russia. The American Institute of Foreign Study (AIFS) made this trip possible for Mel and Dave and eighty other American high school students. Their six weeks tour allowed them to spend four weeks studying at the University of Leningrad.

On another AIFS-sponsored tour, Tom Armitage and Frank Bayman visited St. Andrews, Scotland for three weeks. They also joined two hundred other AIFS students to tour Europe for an additional three weeks.

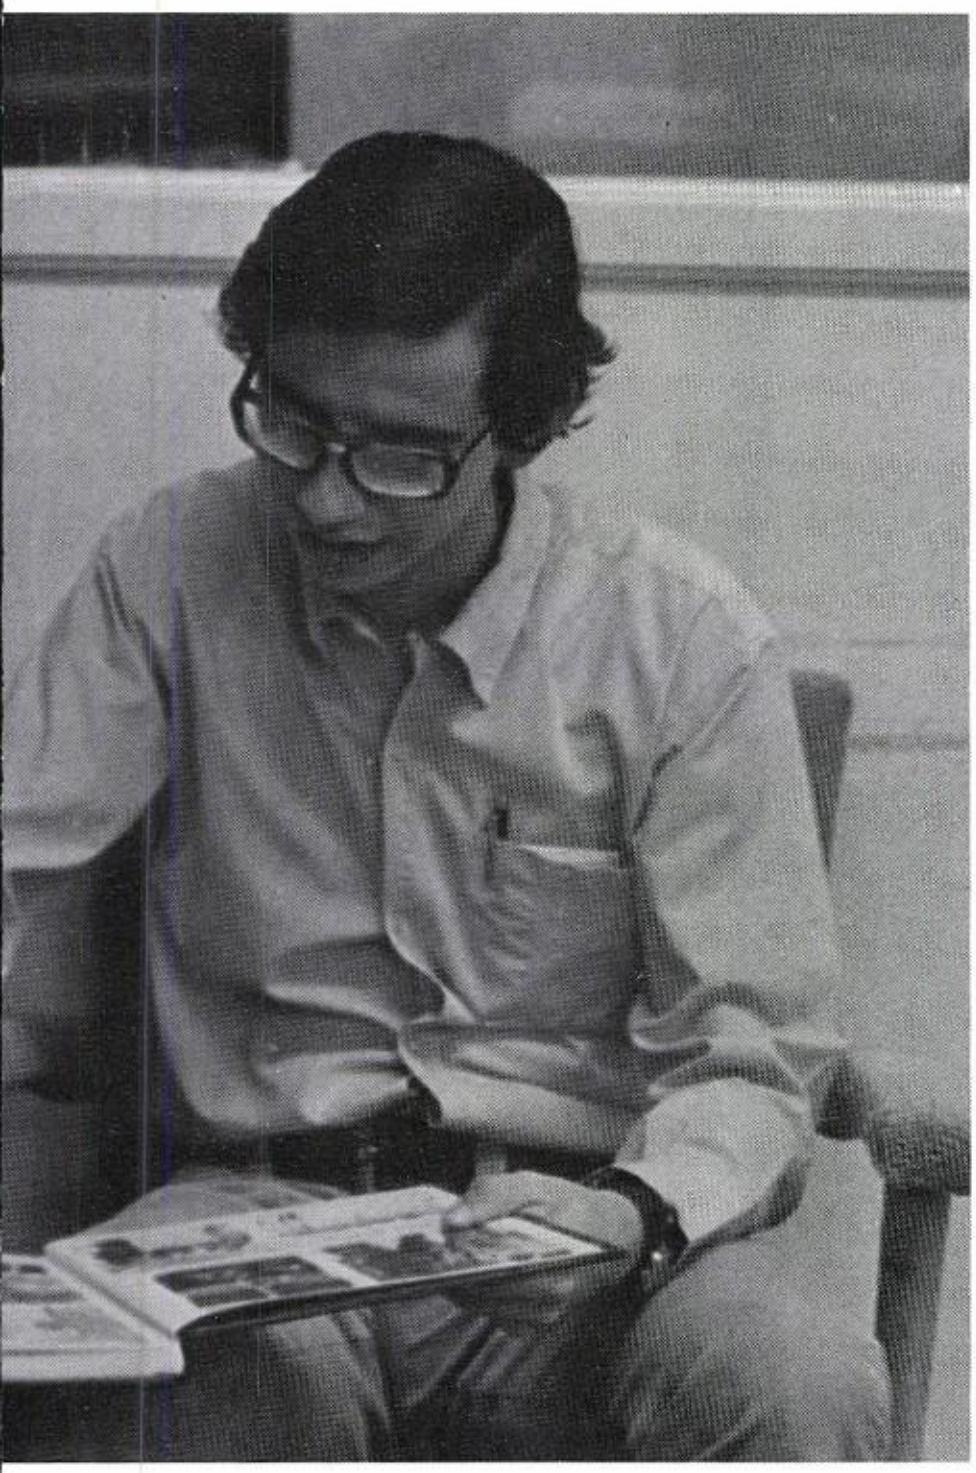
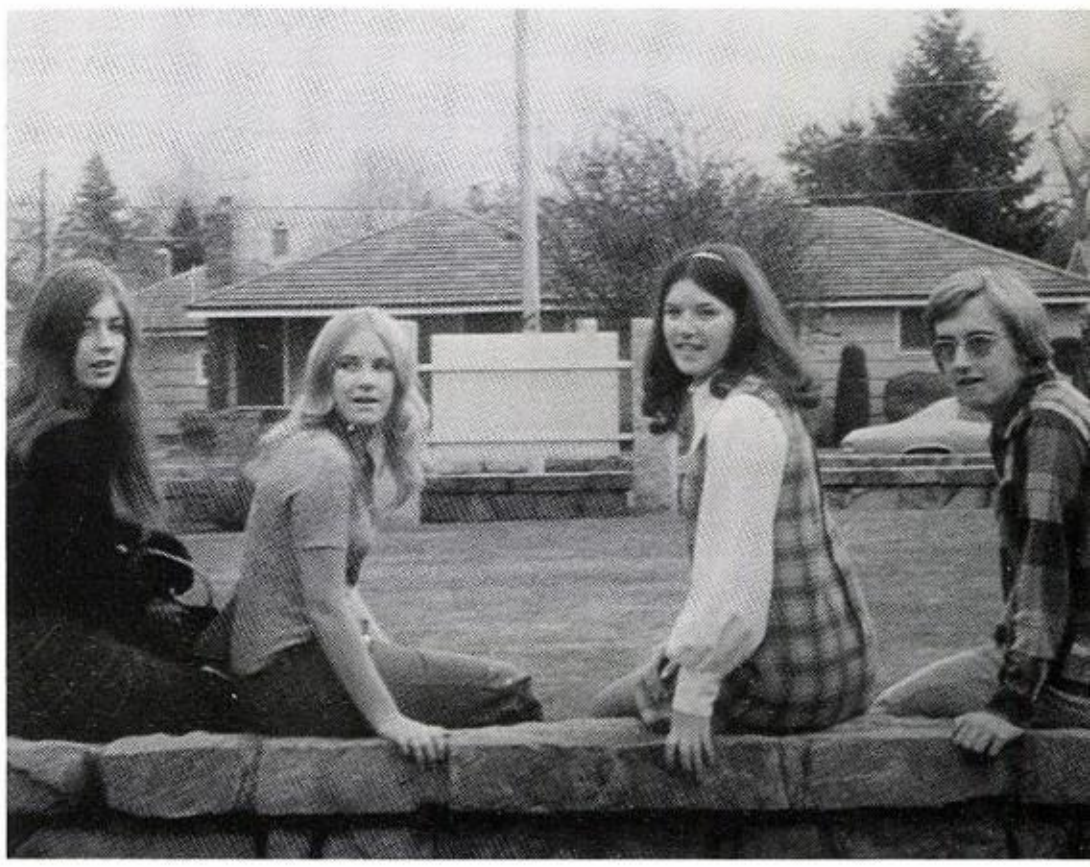
The small doll figure on the top shelf was a gift from her Japanese "sister." Below: People-to-People Ambassadors Polly Gray, Cindy Hines, Cindy Meyer and Rob Murphy relax in the front court.





Senior Harold Clarke hosted this year's American Field Service (AFS) student, Federiko Chalupa. "Kiko," as he likes to be called, is a native of Peru. Kiko's main reason for visiting the United States was answered, "I enjoy talking to many persons with different ideas."

The People-to-People high school student ambassador program, chaperoned by Mrs. Charlotte Jones, allowed four Shadle students to tour Europe last summer for six weeks. Shadle's ambassadors were Polly Gray, Cindy Hines, Cindy Meyer, and Rob Murphy.

Senior Jan Roberton, along with five other high school students from the Inland Empire, visited Japan for five weeks last summer. She stayed at the home of her Japanese sister, Rieko Hayakawa in Nagoya. States Jan, "Japan is a very beautiful country and the people are absolutely fantastic."

Debate, H.S. Bowl Compete Verbally

Striving to represent Shadle on an academic level, the Debate and High School Bowl teams spent extra-curricular hours in study and preparation for their individual performances.

"Whether the United States jury system should be significantly changed," posed the topic for national debate, and for Shadle's team this year.

Competition successes came in the Gonzaga University Tournament, Jan. 13-14, when Jim Nelson took first place in extemporaneous speaking, and Brian Hunter was a finalist in impromptu speaking. At the University of Idaho Tournament, Oct. 29-30, Terry Flynn and Jack Harshman, along with Jim Nelson and Brian Hunter participated in the quarter finals.

In the Spokane District 8 League Round Robin, the Senior Varsity team was tied for first place in the first half of the year. The Junior Varsity team also boasts the same achievement. Shadle took part in four other events this year including the Pacific Lutheran Tournament in Tacoma, Feb. 24-25, and the WSU Tournament, March 10-11.

Says Mrs. Gilbert of the '71-'72 debate teams: "Although their record is not particularly outstanding, they're a great group of kids—very enthusiastic—and I believe they feel all the hard work has been worth it."

High school Bowl teammates survived a mid-January exam administered to seventy students, took part in an all-school convocation via close-circuit TV and were named finalists by a panel of faculty judges.

Named to the '72 High School Bowl team were: Kenyon Fields, Captain; Linda Moe, Paul Anderson, Charley Hayes and Rob Means.

In the past three years, Shadle's team has earned their way to the quarter finals. Mr. Ted Clark, team advisor, commmented: "This is a purely competitive sport—just for the fun of it. Even though our competition is stiffer this year, we have a strong team. Shadle's chances of being in a televised match are slim this year because we are on the waiting list. More schools applied for the program than could be scheduled in one year, thus Shadle is waiting until all schools have had a chance to participate."

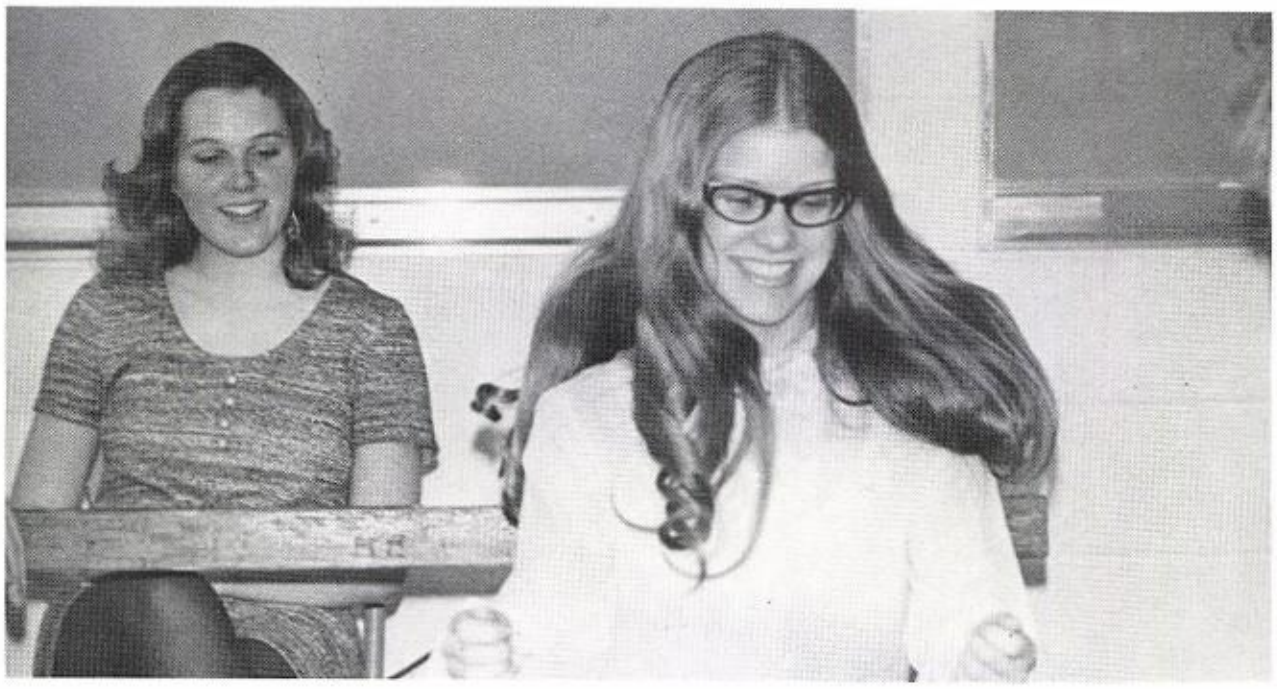
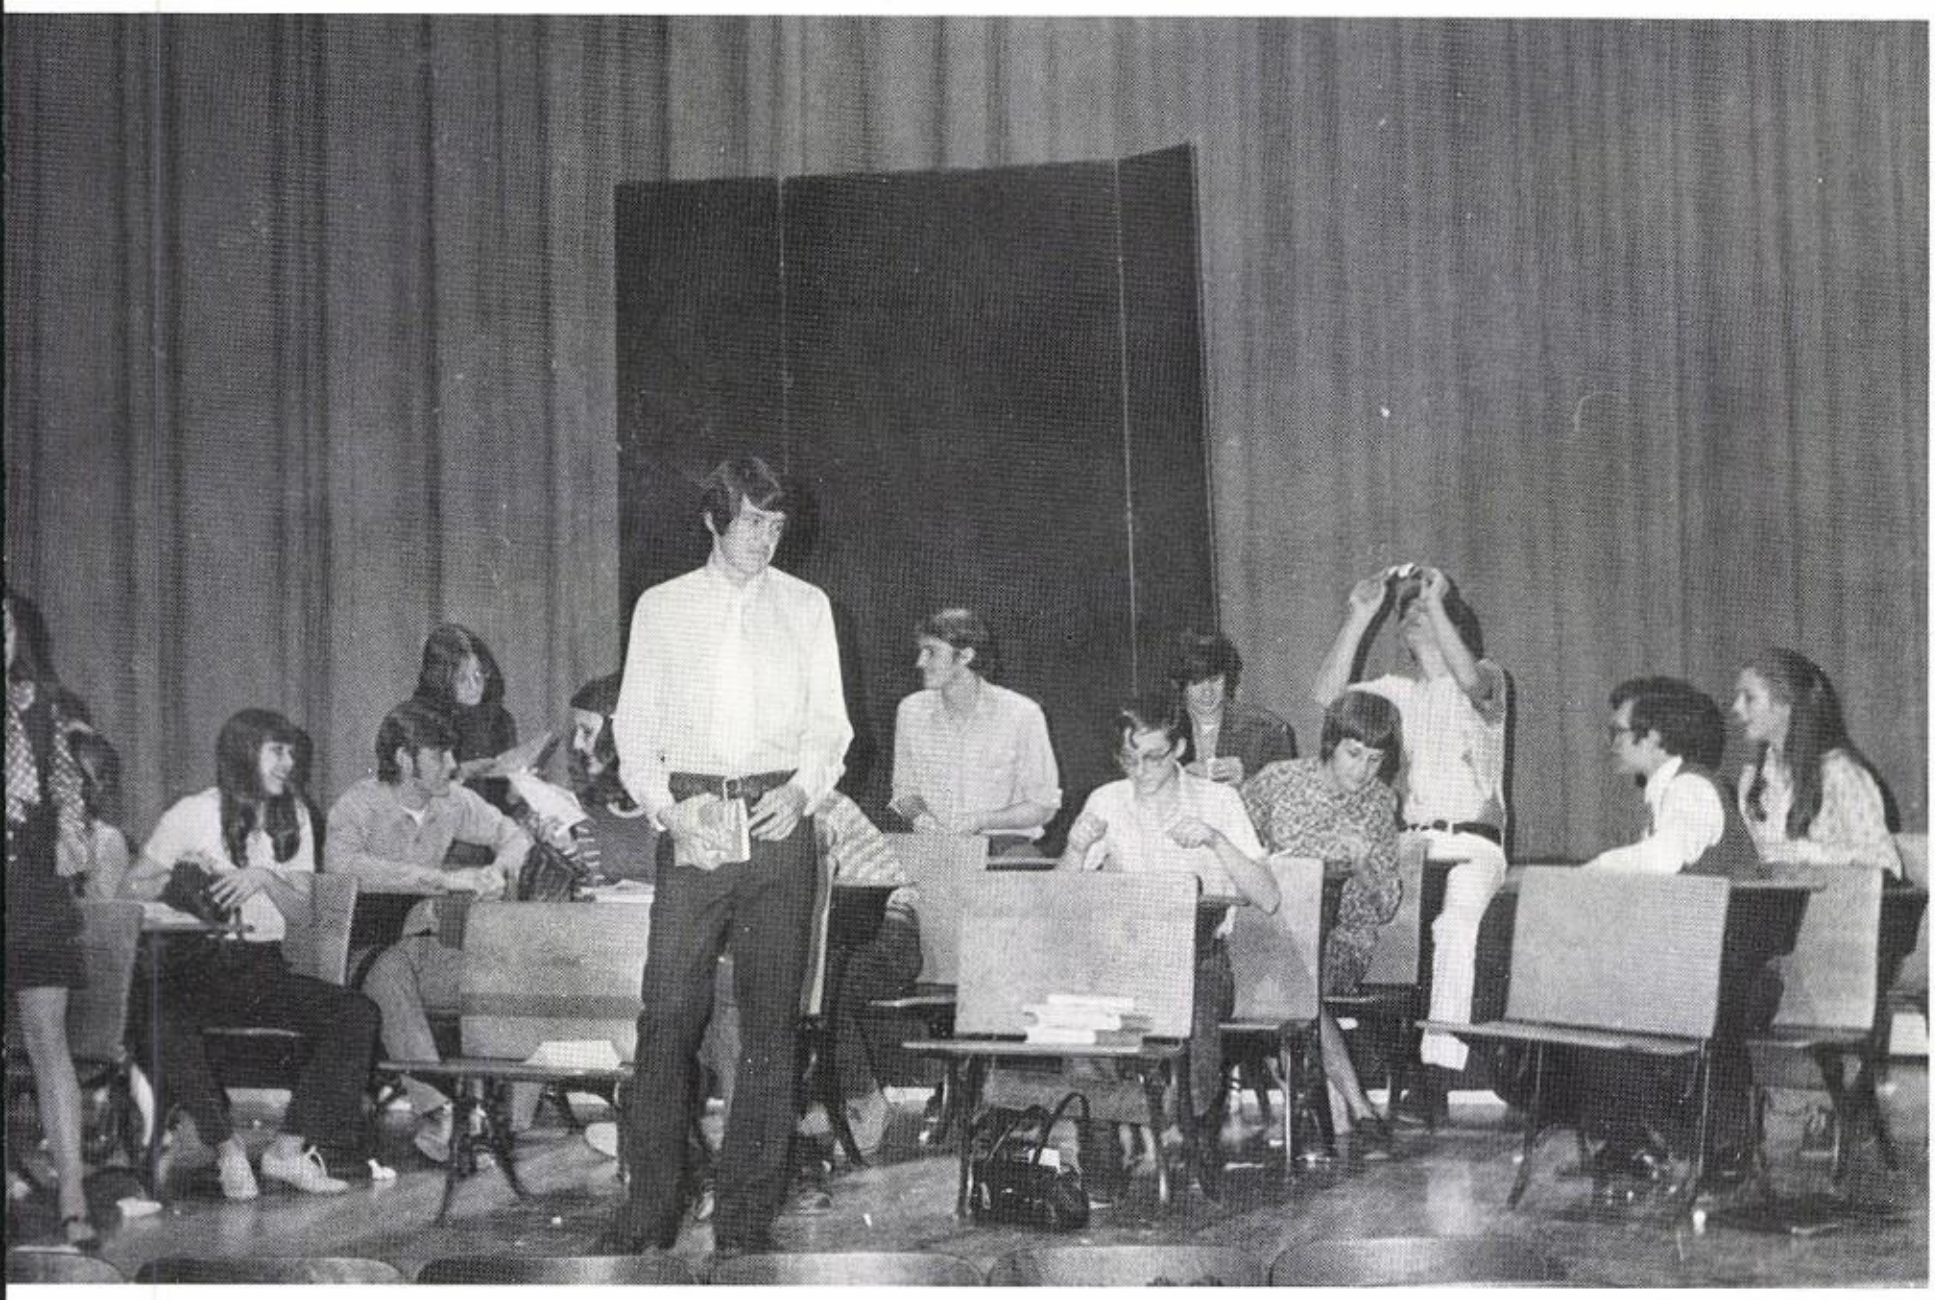
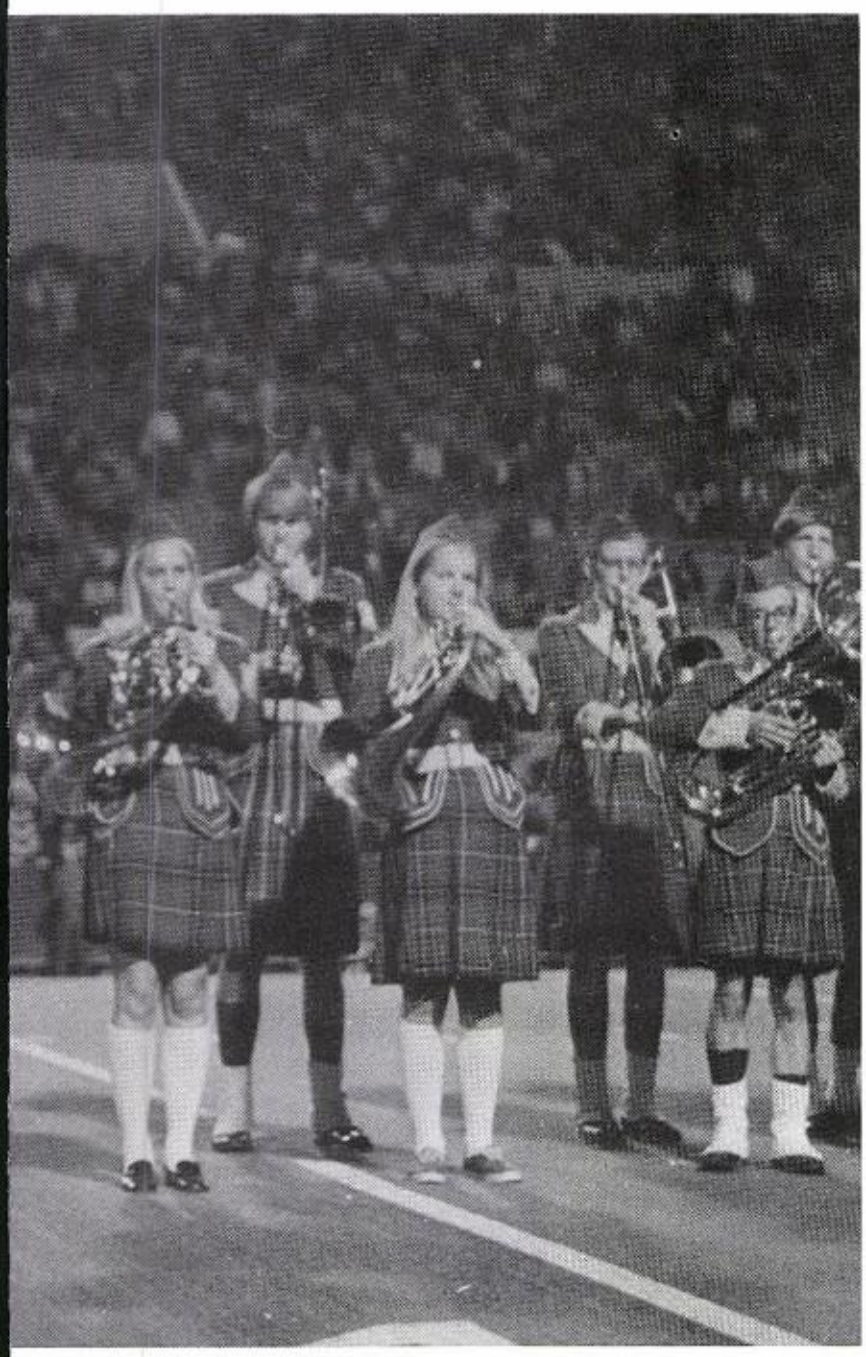
Acting Opportunities Offered

Drama classes offer opportunities for anyone interested in acting. This year as in the past, the students presented a play in the fall. The choice for this year was "Up the Downstaircase", with Roger DeArmon and Kathy Mitchell in the lead roles. In the spring, however, drama students felt it was time for a change. Instead of presenting the annual spring play to the student body, they traveled to various grade schools in the city performing popular fairy tales for the children, under the direction of Mr. Carl Crowe.





Leading the band in their stunts during half-time. is Dale Allen.



Bands Begin Activities With Half-Time Shows

Bracing for their first performance just two weeks after school began, the Symphonic and Concert Bands opened an event-filled music department year by combining efforts for a half-time performance, September 17th. Under the direction of drum majors Dale Allen and Russ Hulvey, the band began each of their four game performances with "Tunes of Glory." October 29th the band was taped and televised on KSPS.

Jazz Lab Band played this fall in an Elementary Principals Convention and United Crusade Luncheon, while the Pipe Band played at four cons. In addition, the Jazz Lab Band played two contests, one at the University of Idaho on March 11th and one at Olympic College in Bremerton, Washington on May 6th. Two other home concerts were played on January 27th and April 28th.

Spirit Groups Lead Shadle Sports Fans

Shadle's spirit groups were the nucleus of all the 1972 sports events and cons. Their high spirits and loud voices embarrassed many sophomores during the orientation con in September.

The Hi-Lassies, Shadle's precision marching unit, joined with the majorettes and marching band to perform half time shows for the crowds at Joe Albi Stadium.

School spirit was strengthened by the activities of the Pep Club. Besides cheering at sports events, members honored varsity athletes with such signs as "Bauer Power" and a sign smeared with bubble gum reading "Stick To 'Em Boys." Other Pep club activities included the organization of the annual Highland Fling and preparation of the Sports Awards Dessert in November.

Past experience at cheerleading was the main prerequisite for girls aspiring to be sophomore cheerleaders. Each girl was required to present two letters from past advisors stating her qualifications before the tryouts. Selected to represent Shadle as B squad cheerleaders were; LoriLee Sherwood, Debbie Duchow, Margaret Cassidy, and Julie Urness.

Clubs: Remember The Daze?

The big event for the Spanish Club was their International dinner with all the language clubs. They also had a car wash to earn money for Ship Hope. The German Club continued their service project from last year, providing gifts to members of a Senior Citizens Home. Hi-Deca returned with the Concession Stand; Deca-Fi held the ring sale and both went to the State and National Leadership Conferences.

Scots Finish Fourth

Coaches say you make your own breaks. Maybe thats true or maybe it's just Highland luck which in the past years hasn't been much to talk about. Despite a dissappointing 4-4-1 season record, "the Highlanders played very fine football," said coach Gary Davis.

The Scots debuted their season being downed by a powerful LC Tiger team, as a result of a blocked extra point attempt, (the fifth consecutive year that the Highlanders have failed to win their opening season game). Coach Davis felt the was due to the team's inexperience in executing the new Houston veer offense, which later in the season became so effective.

The Highlanders won three consecutive games until the midseason clash with Ferris. Here they saw all hopes of a championship fall as a fourth down punt from inside the ten was blocked back out of the end-zone giving the Saxons the two points to win the game 9-7. "The morale of the team was considerably lower following this defeat," said line coach Jim Paton. During the rest of the season they had but one victory, defeating NC 34-14.

Throughout the season, the Highlanders were lead onto the field by Mr. Teru Chinin, a sixth degree black belt who was the karate and conditioning coach of the football team. "The karate style conditioning and pre-game warmups were a great asset to the physical ability of the team, and possibly resulting in fewer injuries," said coach Davis.

Davis Outlines '71 Objectives

The following is a letter written by head-coach Gary Davis. It was earlier published in the HI-LANDER HI-LITES.

The objective of the 1971 football team was to be city champions. Because we did not reach our objective the season was a disappointment. Yet we had some positive points this fall. Since we lost four games by less than two touchdowns (11 points), and three games by less than four points. All of the games were lost in the final minutes of play. This provided an exciting season for the fans.

At the first pep-con I stated that it took three things to win a city championship; 1). Personnel-Yes, we had good enough personnel to win a championship. 2). Morale-We had great morale up through the Ferris game. 3). Luck-This is a MUST to win a championship. Ferris, the city champs had luck on their side. Ferris beat Rogers in the first game of the season 7-6, when Rogers failed on a two point conversion attempt. Ferris defeated North Central 20-14, but NC had a touchdown called back on a controversial call. Ferris blocked a Shadle punt (only the second punt blocked in eight years) to win. The final statistics showed that Shadle was runner-up in every major stats.

I am honored and proud to have had the opportunity to coach the team that could have been the number one team in the city league if not for a few bad breaks.

Sincerely,
Gary Davis

'B' Gridders Start Slow Stage Comeback for First

Despite a couple of early season setbacks the fighting B's of Shadle Park came back with an amazing six game win streak to share the city B-Squad crown with the Ferris Saxons. Much like their "big brother" varsity team, they too opened the "71" season with the new Triple Option form of offense. "The big reason for the team starting out slow was because the offense just didn't get it together," said Coach Jim Brown.

As the season progressed, so did the offense, which resulted in the team's six game win streak. The first win for the Scottish B's was the big one, they handed a 35-0 "bone crushing" defeat to the North Central Indians. The second triumph for the Highlanders was the one and only game of the season with Ferris. This meeting may or may not have shown who was the better of the first place teams, as the Scots won 35-17. From there Shadle rolled on, racking up victories over LC, Gonzaga, Rogers and NC. The most important being a 58-6 landslide victory over the Bullpups of Gonzaga.

The final league standings showed Shadle Park and Joel Ferris tied for first place, both with 6-2 records. This marked the second year in a row Shadle's B-Squad has taken first place.

Injuries Plague Shadle Harriers

Shadle Park Harriers, after getting off to a poor start, due to many injuries, managed to win half of their cross country meets. One of the most successful meets for the runners was the Moses Lake Invitational, although no trophies were added to their collection.

Larry Thibault, after landing third place in the All-City Meet went on to the State match in November. His time of 13:15 was a disappointment to many. The team, will be without their only varsity senior, Thibault, as he will graduate this spring. Shadle, however, will be better off than LC or Ferris as they are losing a large number of their star seniors.

The B-squad lost only one meet before the All City match where Jeff Wright and Tim Erickson were the only others besides Thibault to place in the top half.

This year also saw the beginning of the Girls' Cross Country team. Demonstrating competitive spirit and desire they opened with a commendable 3-3 record.

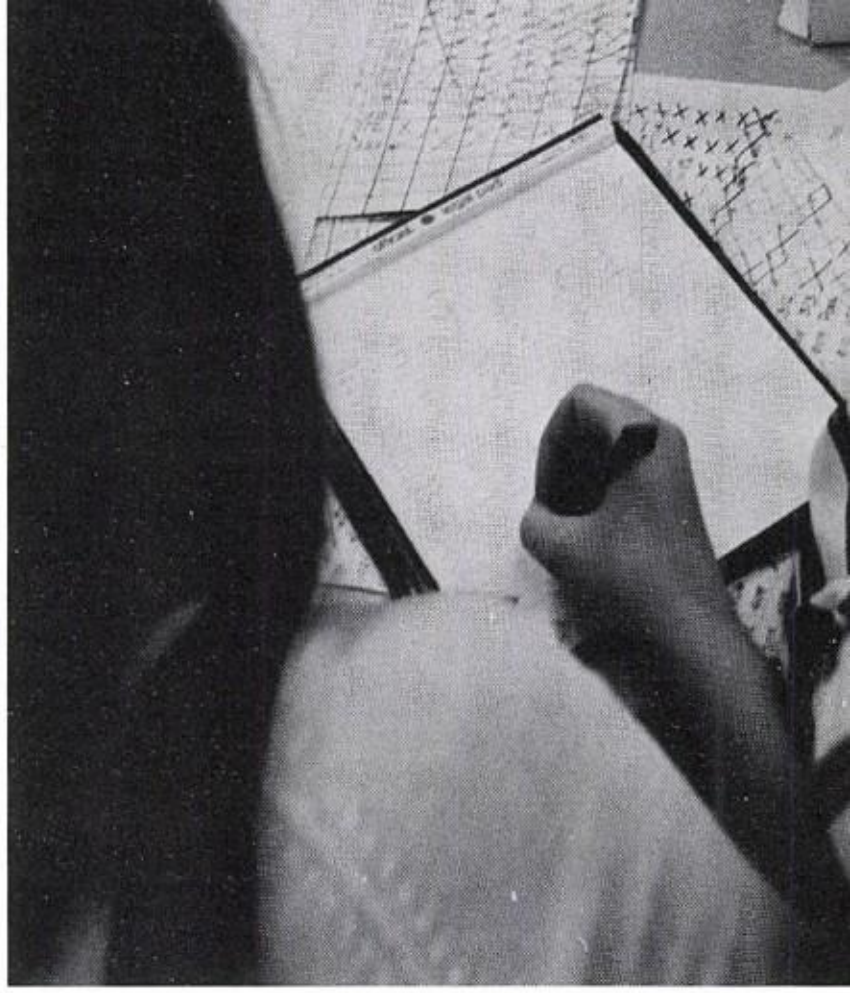
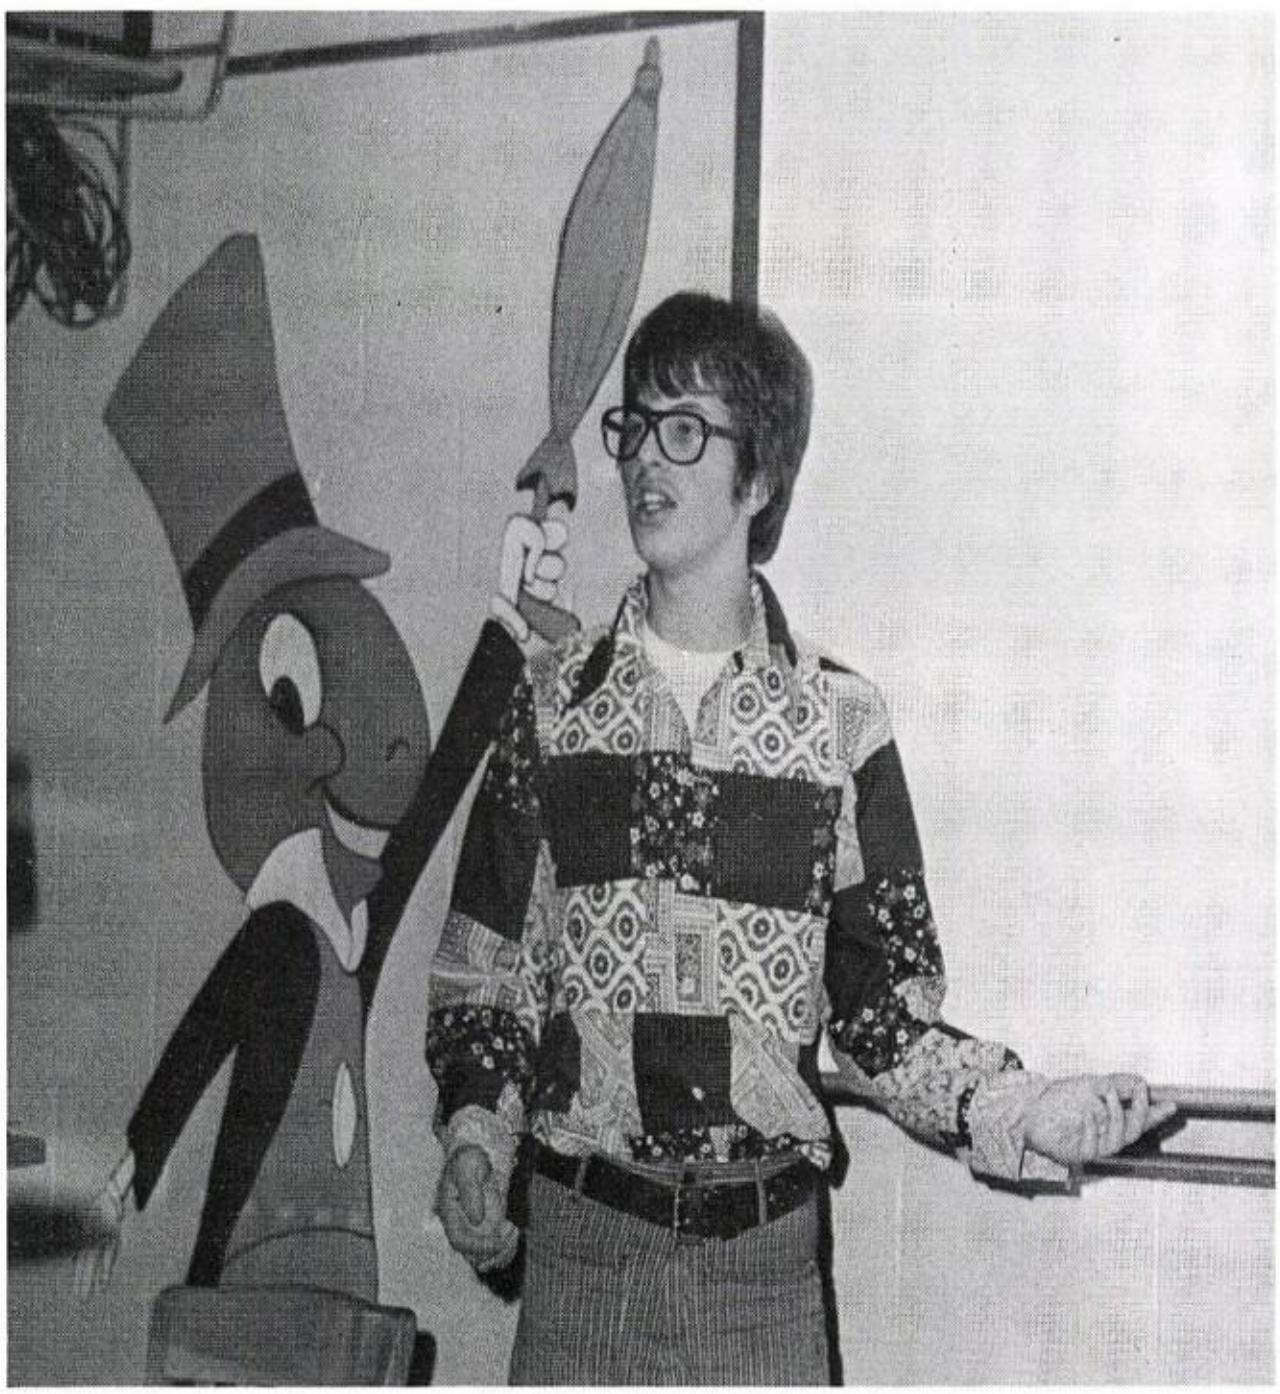
Unusual Trial Courses

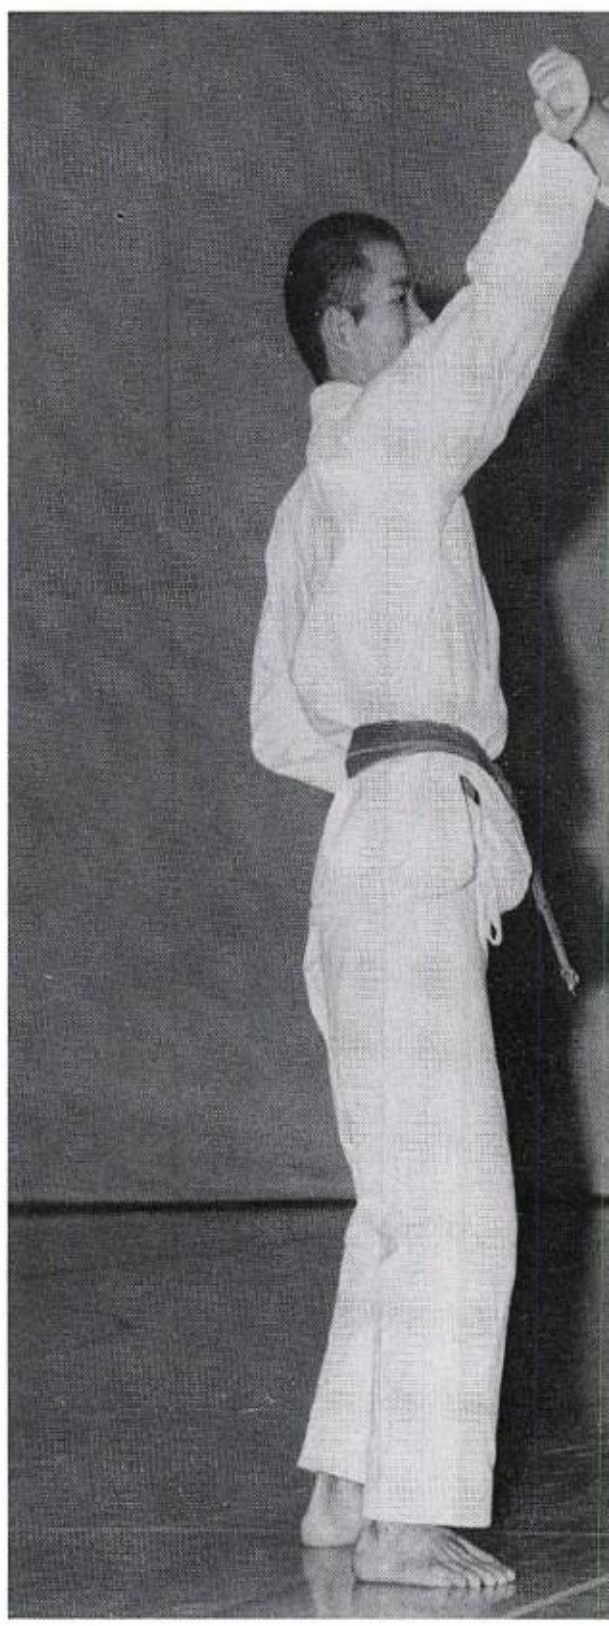
Freeform started in the spring of 1971 and went over so well with the students that the A.S.B. started work in September for another one on December 3, 1971. With this years chairman Jim Nelson and co-chairmen Karene Beazer and John Amsbaugh, the committee workers began by registering students for classes. After this, John Amsbaugh worked on getting instructors, while the rest did the scheduling work up until the day before Freeform Day.

Headquarters were set up on Freeform Day in the Senior Cove to keep things running smoothly. All of the classes given this day are not normally on the curriculum and students said they were interesting. Among the classes given were Hypnotism, instructed by Dr. Wetzler, and Gourmet Cooking instructed by Mr. Gilmore, who taught students how to make bread. During the long lunch there were old movies of Laurel and Hardy, Abott and Costello, and Buster Keaton, in the auditorium.

In all, Freeform has two purposes; one is to introduce people to Shadle, its activities, classes and students. The second is to present new subjects to the students that are of interest to them and that they would like to learn more about.







Above: Looking over Dave Brickley's shoulder while he teaches Cartooning is Walt Disney's Jiminy Cricket. Right: Teruo Chinen and one of his advanced students demonstrate basic moves in the Karate class.

This job of scheduling, which was done by just a handful of students, is similar to the job done by computer downtown when it's time to schedule classes for regularly offered subjects. Christmas Activities Keep Students Busy

Christmas is a magic time filled with laughter, forgiveness, and the spirit of man helping mankind. The students of Shadle were no exception.

To begin the season, Seniors decorated the annual Christmas tree which stood in the Commons. Soon after the tree was up, the Red Cross sponsored a food drive. Unperishable foods were collected in the homerooms and placed under the tree. Homeroom 122 donated the most food and was rewarded with a free coupon to McDonalds for each student.

But, there was still more for the students to do. The ASB sponsored a party for the children afflicted with Cerebral Palsy. Providing refreshments and recreation for the children was a small price to pay for the joy and satisfaction the students got from being with them. Christmas was just around the corner and it was time to have fun. The Christmas dance was the perfect place for this. They started the evening with dinner and ended it with dancing to the music of "Everybody's Goodtime Band."

GL Installation Con Begins Spring Term

The installation of new officers President Marilyn Osborn, Vice-President Denise Duchow, Secretary Sue Davis, and Treasurer Debbie Brady at a con January 8 started Girls' League spring semester. Fifteen girls were awarded with roses for active participation in fall Girls' League activities.

Lynne Zirkle, ASB Christmas Project Coordinator, was December Girl of the Month. Lynne planned the Children's Christmas Cerebral Palsy Party and worked on other ASB projects. She is in Dileas Chalin, Courtesy Committee, and assistant-editor of the yearbook.

New Executive Council members Lisa Phillips, Megan Kilgore, and Linda Nauditt were chosen by the representatives. They replaced Wendy Luders, Carolyn Harper, and Vicki Spring. The Council works with G.L. and helps make major decisions.

Girls' League Courtesy Committee works with the officers and Executive Council throughout the year. The Committee sends out get-well wishes to students and teachers and they act as "big sisters" to new girls at Shadle. Members are: Nancy Bauer, Geri Bell, Linda Cameron, Ruth Carlson, Mary Chapin, Janie Countryman, Sue Damrell, Sue Davis, Cherie De Joie, Jan Dickson, Denise Duchow, Karen Erickson, Connie Farrier, Terry Flynn, Carolyn Harper, Margaret Hodson, Patsy Howard, Debbie Hyatt, Marilyn Keeler, Sharon Kramer, Gloria Lee, Margie Lewis, Kirsten Lindberg, Melissa Lowry, Karen McKee, Cindy Meyer, Mary Miyava, Kathy Norman, Marilyn Osborn, Diane Pearson, Kay Sorini, Vicki Spring, Paula Urness, Janice Van Winkle, Connie Wiens, and Lynne Zirkle.

Gary Burton Plays 'Pops'

One of the most successful concerts of the year was the Fifteenth Annual Pops Concert presented on November 19, 1971. The performing guest artist was the world renowned vibraharpist, Gary Burton.

Joining with the performing groups from Shadle's Music Department, he played "Soul Fiddles," "All About the Blues," "Baby, Please Don't Go," "Chicken Feed," and many more popular selections.

The Shadle performing groups, directed by Mr. John R. Harris and Mr. Melvin R. Kornmeyer, included the Orchestra, Concert Choir, Treble Tempos, Chamber Choir, Highlandaires, and Jazz Lab Band, involving more than one hundred talented students.

Specially featured instrument soloists were Denise McCoy playing the flute; Richard Fowler, Jazz Lab trumpet soloist; and Joan Yamauchi on the violin. Accompanying the choirs on piano were Diane Scanlon, Randy Fink, Jo Montgomery, and Marci Brett. Mr. Ted Clark acted as Master of Ceremonies introducing each selection played.

Club Projects Provide Service

Right: Mrs. Patricia Hooker helps a Home Ec Club member with her project. Below: Two members of Art Club designed both the cover and endsheets for the 1972 SPORRAN. The cover is an original oil painting by senior Rob Murphy (far right). Tom Bassett drew the charcoal sketch that is used on both the endsheets and divider pages.

Projects designed to help members and in many cases others, provided initiative for Shadle's clubs this year.

To earn enough money for a scholarship for the most artistic senior was the goal of Shadle's ART CLUB. They began the year with a brunch and a picnic for old and new members. After getting to know each other, club members and advisor, Miss Claudia Schwab, began work on student projects which were sold at the spring art sale.

The Art Club also sponsored a Snow Sculpture Contest in which any student could enter after paying a nickle entry fee. But, club activities weren't all work and no play. Members visited museums and art departments on the college level. They also went to sketch at places like Deep Creek Canyon.

Actively engaged in the March of Dimes, Dileas Chalin sold balloons to promote publicity and fund raising. They also provided and served hot dogs at rest stops during the Hope Walk. Handmade items, like candles, chokers, and ties were sold at the Dileas Chalin Bazaar. Members made or contributed all items, worked at the bazaar in selling areas, and constructed all decorations. Halloween insurance was also sold for 25¢ a policy. Homeowners were guaranteed that any Halloween pranks performed on their property would be cleaned up.

Tutoring grade school students was the project of Future Teachers of America. Members provided teaching aid at Field School, and collected toys for their Christmas Project. Special education was studied at the Bancroft School for the Blind, Holmes School for the Deaf, the Cerebral Palsy School, Garland School for Special Children, and the Shrine Hospital.

Home Ec club members worked toward obtaining enough money for a home-ec scholarship, presented in the spring. Some of their projects included pop bottle drives, and brownie sales. And, when work seemed to take more than it's share of time, a kidnap dinner and a pizza party were introduced.

Students Unite in Club Activities

To further their skills in various areas, many students joined several different clubs offered to them this year.

AQUA TARTANS, non-competitive girls' syncronized swimming club, met Tuesday nights during the year. Their project was a party for the Morning Star Boys' Ranch.

Providing rides for students to ski slopes, the SKI CLUB visited Mt. Spokane, Jackass Ski Bowl, and Schwietzer Basin. Throughout the skiing season, anyone needing a ride to or from the slopes could contact a member of the Ski Club and receive one. Skiers had the chance to better their skills while having fun.

Shadle Park's CHESS CLUB was a member of the Spokane High School Chess League. They participated this year in the Western High School Chess Regionals and the Washington State Chess Championships, also for high schools.

DEMARIAN CLUB members spent much of their time discussing events and problems of international and political significance. Mock situations were planned and carried out to increase the members interest. Whenever possible, Mr. Robert Chattin, advisor, obtained speakers to elaborate on various current events.

Scots Pinned with Tough Season

Struggling through a most difficult season, receiving many bad breaks and dropping several one and two point matches, the Highland wrestlers had their troubles all year long. Despite this, many sophomores and juniors gained much needed experience in building next year's team. "This was, without a doubt, the finest crop of sophomore wrestlers I've seen in my days of coaching," said assistant coach Carlos Flores.

Shadle sent two matmen to the state matches in Seattle this year. Earning the right to compete were Brent Taylor and Jim Cane. Taylor, a senior, has been wrestling on the varsity mat since his sophomore year. He placed second in both districts and regionals. Cane, also a senior, is a first year man as a varsity grappler. He finished third in districts and fourth in regionals. Other wrestlers who made very fine showings, said the coaches, were Mike Kuest, Gary Deaver, Rick Stillar, and Paul Christianson, who would have been the first SP sophomore ever to go to state, but lost in the final seconds of the consolation match to place fifth in regionals.

Assistant coach Pete VanderWegen felt Region 4 to be the toughest in the state. It includes such schools as Davis of Yakima, Moses Lake, and Wenatchee. He also commented that the SP wrestlers who did make it to regionals did exceptionally well.

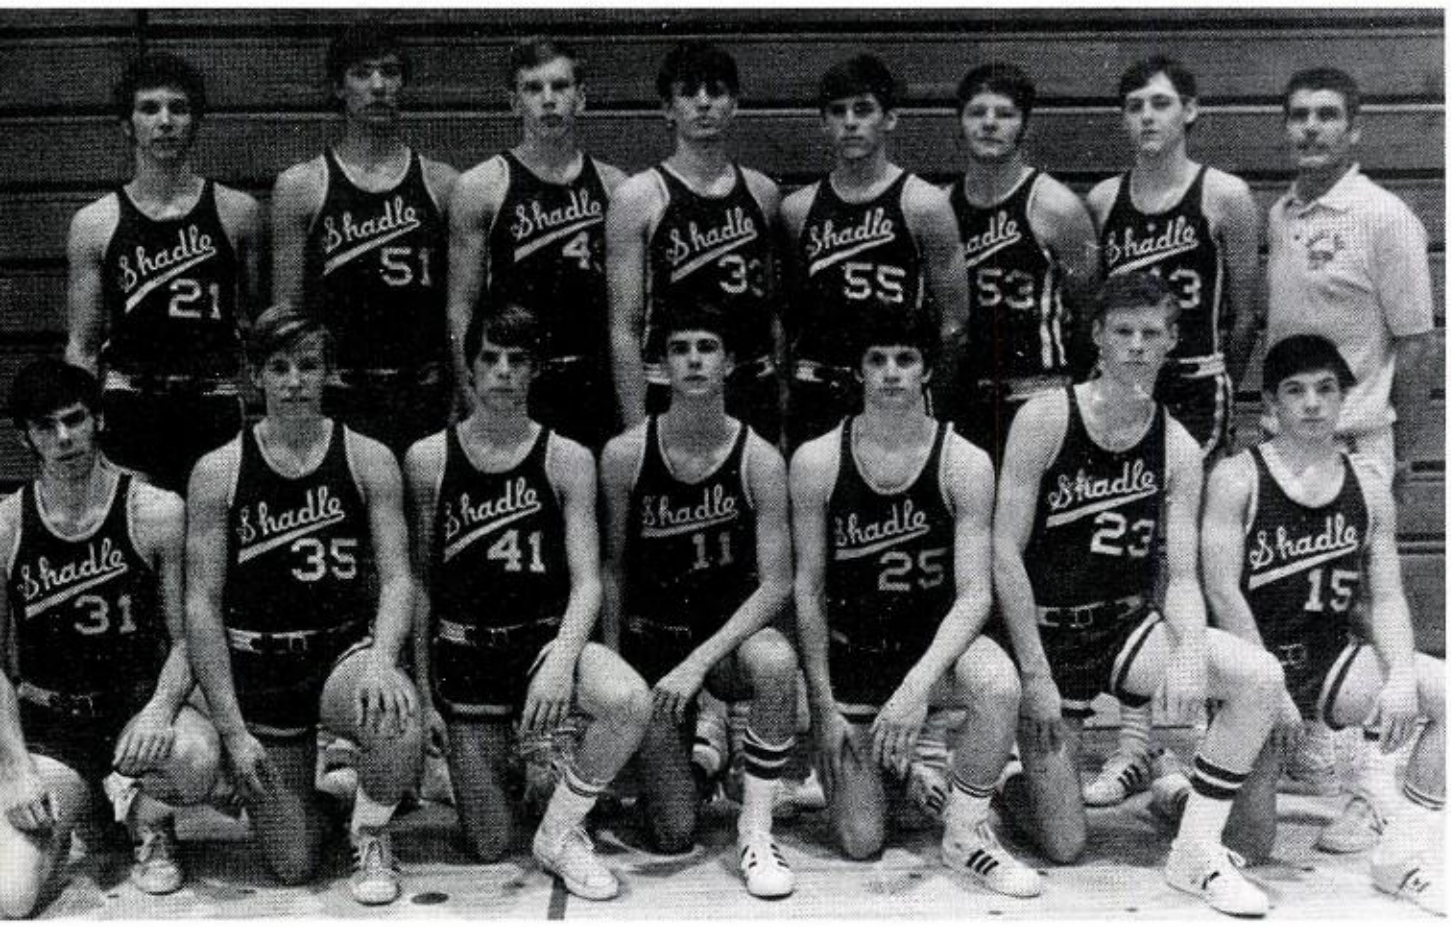
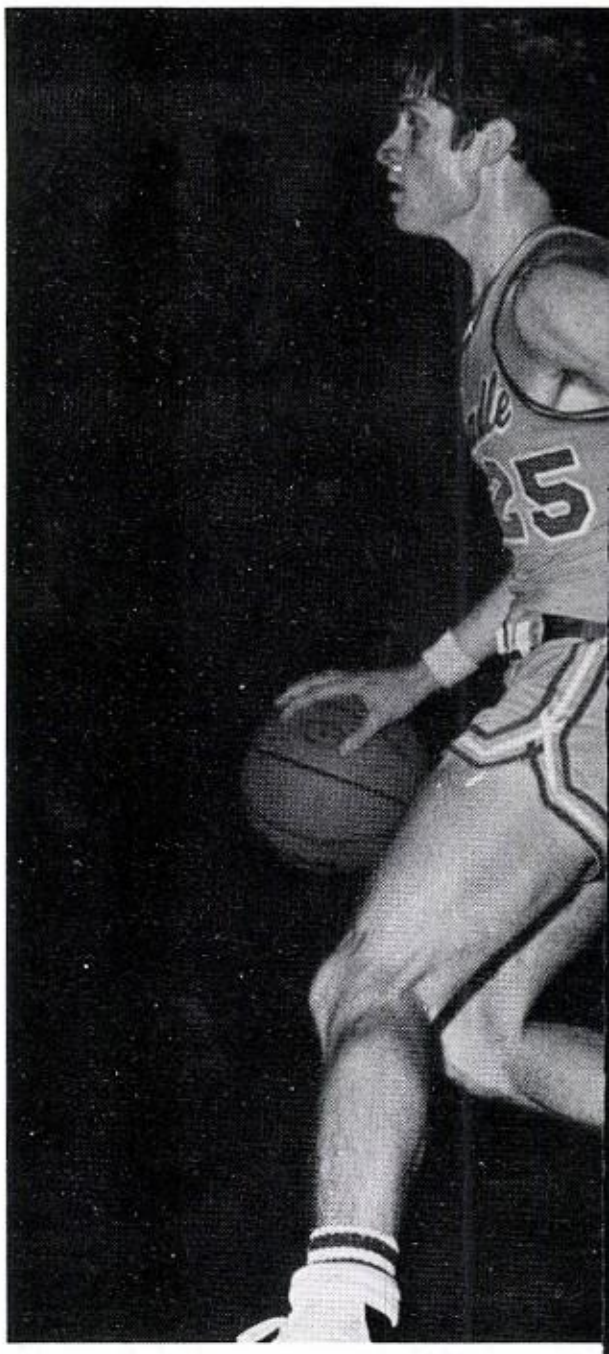
SP Earns Regionals Berth; Clinches City, District Titles





Once again it was Shadle Park and a devastating full court press shutting down opponents and repeating as City District champs. SP was handed only one league setback this year, from Lewis and Clark. The Tigers are the only team to beat the Scots in past three years of league competition.

First team S-R All-City honors went to Chris Roberts, Ray Harding, and junior Bruce Groesbeck. The morning Review stated Groesbeck was the best all-around player in the league. Being a junior, they named him honorary captain of the Stars. Rob Ridnour and Ray Harding were the only SP starters on the Chronicle All-City. Harding retired with a 16.3 average to be scoring "king" of the City League. Ridnour finished with a fine 12.2 average.

Shadle Park's Highlanders finished the season with a final game count of 21-3, and a team scoring average of 72.3 points per game.

Varsity Hoopsters Capture '71 Christmas Tourney Crown

This year's holiday edition of the fighting Highlanders was a story of success, as the Scotties blasted their way to the first Christmas Tourney Crown in our school's history. In the past two years Shadle was placed second behind the Bears of Central Valley, but as the opening game of this year's Round Robin showed, the Scottish five had their valley rivals well under hand. "We've waited so long and it feels so good," said Coach Dave Robertson.

This year's fans saw a rematch of last year's number one teams of both the city and the valley, battle to a 61-45 win by the Highlanders over the C.V. Bears. The game was close until the final period, when the Scotties outscored their opponents 21-6. Game number two paired Shadle Park against the Eagles of West Valley, where the Scots met little opposition and won 75-58. In the Championship game S.P. crushed the Lewis and Clark Tigers 63-51, in a great break-through for the Shadle Park Highlanders. (S.P. has played in the championship game five out of the seven years of the Holiday Tournament).

B-Squad Captures City Honors

SP's B squad, this year, took the city title by a one game margin. Their league record was 13-2 with an overall of 16-3. Coach Elvington said, "The players do a fantastic defensive job." In one game they bounced all over N.C. with a final score of 64 to 44. The high point men for that game were Marc Flemming, with 18 points and Earl Howald with 17 points.

The team this year shot a hot 50% average. Top shooters this year were Derrick Soo, Kevin Lawson, Rick Nelson, Rick Mellen, Steve Stocker, Mark Deerheim, and Mike Raymond. Top rebounders were Earl Howald and Mike Raymond.

Shadle's basketball team took a triple crown this year giving our B-squad, Junior Varsity, and Varsity all first places, which proved SP to be unbeatable this season.

Not to be outdone by a highly rated varsity team, the JV's of Shadle Park proved they too were true champions, as they won the city title in full stride with an 8-2 league record and an overall game count of 11-4. Leading the way in scoring for the Highlanders was center Jeff Liddell who chalked up 156 points in fourteen outings for a 11.1 average, while hauling down 113 rebounds. Close behind in scoring was Bill Wilbur with 120, Jerry Seipp with 96, Barry Poffenroth with 94, and David Fehler with 93. A number of players also saw action in varsity uniforms this year, among these were Ron Brooks, Jeff Liddell, Jeff Sartz, Jerry Seipp, and Bill Wilbur. Coach Jim Groves commented that he felt he had a very fine bunch of juniors, and that he was looking forward to next year.

The JV's winning their crown meant that Shadle Park basketball teams swept all three city league crowns.

SP Swimmers Compete at State

The swim team this year added a new High School All American to accompany Rich Neale who received the award in 1964. Roy Clark was the third from Shadle to become one of these All Americans, and second in swimming to get the award. He also has been ranked as fourth in the nation in the breast stroke this year.

Other top ranked swimmers this year were Scott Wakefield, who fell short of becoming a High School All American, and Griff Thompson, a transfer student from Lewis and Clark.

For next year, Coach Combs anticipates good prospects from the juniors and sophomores. He also hopes to get some good swimmers from the junior high schools.

Swim team competes in different kinds of meets called relay, dual meets, and districts. Relays are where three or more teams compete and dual meets are for two teams. The districts are play-offs to decide which teams will go to state.

This year Roy Clark, Von Chimienti, Dwight Peterson, Tim Warner, Scott Wakefield, Mike Witkowski, and Griff Thompson made it to state from the swim team. Roy, Dwight, Griff, and Scott were entered in and got eighth in the medley relay. Roy took eighth in the 200 yard individual medley and third in the 100 yard breast stroke, Scott took seventh in the 100 yard butterfly, and Griff Thompson took third in the 50 yard free style and second in the 100 yard free style. The swim team took sixth in the state out of a field of 40.

Girls Take City, Regionals Title

Once again the Girls' Gymnastics team swept the city league by claiming the first place title in their final meet against Ferris. Led by sophomore Laurie Bremer, the lassies concluded their regular season with a 44 consecutive win streak record, to complete their fourth undefeated season.

In the regionals the girls captured the undisputed first place with Laurie Bremer receiving first place all-around and Debbie Duchow also placing high with a third place all-around. This meet qualified five girls for the state meet held in Spokane at LC this year. Among those qualified were: Laurie Bremer, Debbie Duchow, Vickie Bremer, Lorrie Nelson, and Carol Showman. Coach Lyle Pugh stated, "I was really pleased with the girls and because they were such a young team, I was surprised at how well they did."

For the first time, University was added to the schedule of meets. The girls also traveled to Richland for a non-league meet and beat them by a narrow margin.

Because there can only be five girls in each event when competing, many of the girls had a variety of talents. Events included in meets are balance beam, floor exercise, trampoline, uneven bars, and vaulting box.

On February 1st, the first of the twice-yearly A.S.B. installation cons was held. The double-con introduced and installed the new spring officers while the out-going officers were relieved of their offices.

Bishop Leo Higbee, a guest from a L.D.S. church, gave the invocation for the con. Mrs. Dennie Moore, a Shadle teacher on a leave of absence, was the guest speaker. She spoke on the problem of student apathy. She challenged each and every Shadle student to become involved in something.

She added that this involvement didn't necessarily have to be in the A.S.B., but that every one should have at least something to be involved with.

The exchange of the officers pins then followed with the outgoing officers presenting the incoming officers with the pins of office.

Paul Anderson, outgoing president, presented Phil Yamauchi the gavel. Paul spoke on apathy of the students, but also on individual interest in the school.

The con ended with the outgoing officers receiving a standing ovation from the students.

Julie Westberg Chosen Sweetheart

Building around a theme of "Have A Heart," the 1972 Sweetheart Dance was presented this year on February 12. The highlight of the dance was the coronation of Shadle's Sweetheart, Julie Westberg.

The Cafeteria was transformed into a garden of flowers and lights by the decoration committee, headed by Dave Sessions. A fountain and chandelier graced the Senior Cove with flower bearing cherubs at the doorways. Pots of flowers and a footbridge were also included in the decorations.

Day break played for the dance which was held from 9:00 to 12:00 P.M. Pictures were by Dorian. The backdrop featured two hearts.

Julie Westberg was announced as the Sweetheart during the dance's intermission. She was selected from among ten semi-finalists chosen earlier in the week. The final balloting was held in homerooms on the Thursday before the dance when only the boys were allowed to vote. The semi-finalists were presented on the morning broadcast to the students.

This was only the second time since Shadle opened that a Sophomore has been chosen as Sweetheart. (The first was just two years ago in 1970.)

The Highland Dancers include: Barb Hopp, Gayle Wheeler, Linda Cameron, Holly Bishop, Theresa Durgan, Diane Miller, Melissa Lowry, Cathy Gross, Robin Stone, Debbie Peden, Lisa Jones, Debbie Bookwalter, Sally Randall, and Carol Wagner. The last nine girls are the new members.

Pipers; Dancers Join Burns Night Celebration

"IF A MAN DOES NOT KEEP PACE WITH HIS COMPANIONS, PERHAPS IT IS BECAUSE HE HEARS A DIFFERENT DRUMMER. LET HIM STEP TO THE MUSIC WHICH HE HEARS, HOWEVER MEASURED, OR FAR AWAY." —THOREAU

Providing Shadle's Scottish music is the pipe band, directed by Mr. Bill Thomas, a teacher at Westview. The band practices fourth period and after school working with the Highland Dancers to complete their Scottish image of the Highlands.

The pipers and dancers main event was the Bobbie Burns Night celebration. It was held at the Masonic Temple on January 22. Various dance and piper groups from throughout the Inland Empire join for this one evening of Scottish music and festivities. This year Shadle was chosen as the honor group for Burns Night.

Throughout the year the pipers and dancers perform at other schools and around the city at special events. They also travel to nursing homes to entertain others and, of course, they play at most of the pep cons and other special activities right here at Shadle.

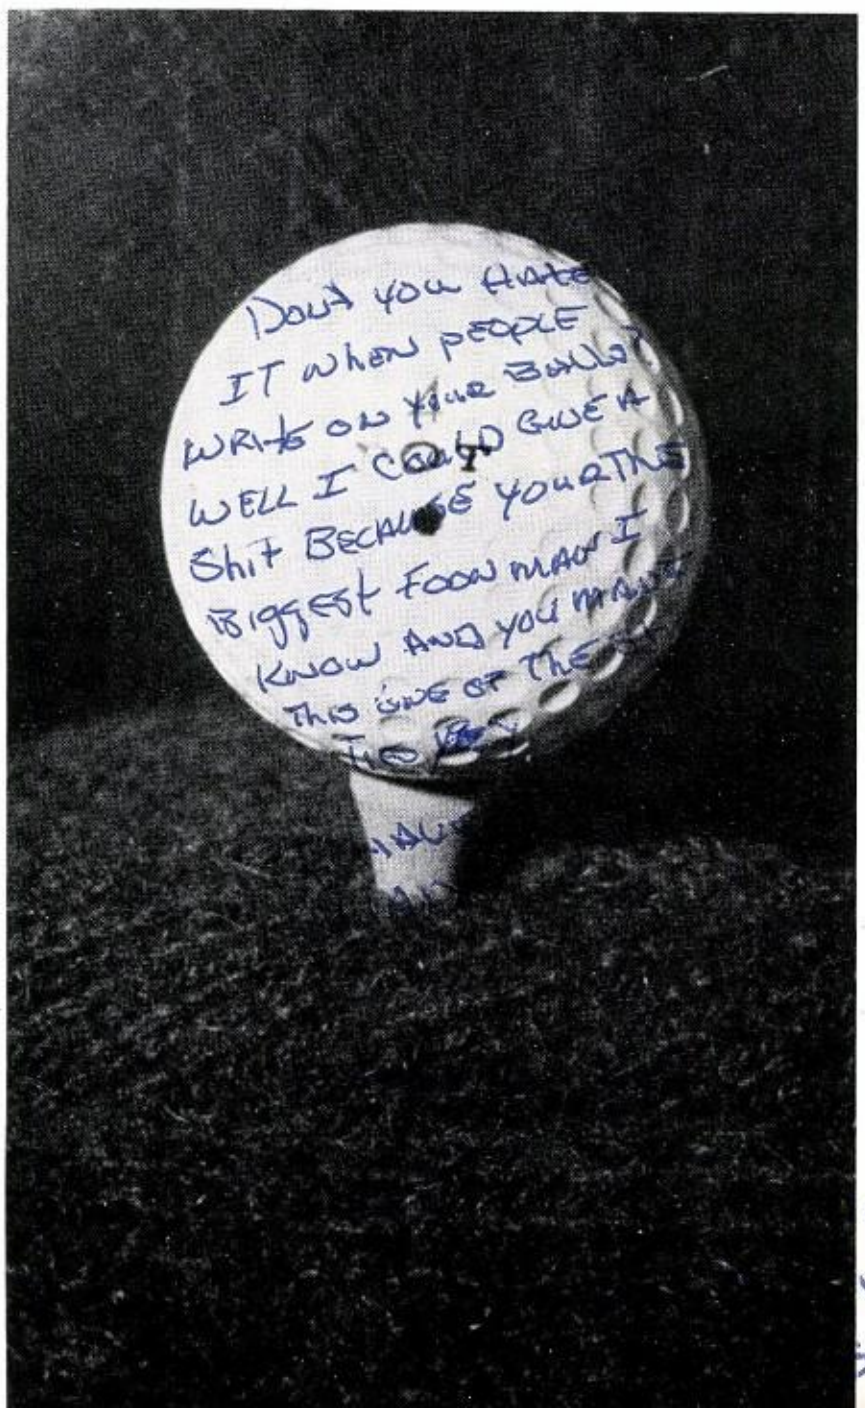
Golfers 'Teed Up' For Spring Season

"Tee fore two and two fore tee . . . " is referring, of course, to the Shadle Park Golf Teams. The Boys' Team, supervised by Coach George Manning, again "putted around" at Downriver Golf Course this fall. Among the approximate 40 that turned out for the team, only 25 were kept. Dave Boyson, senior, lead the boys to a second place finish at the end of their unofficial season. Other top boys that competed in the weekly matches were: Jim Gyarfus, Jerry Seipp, Bill Wilber, Ken Schroeder, and Tom Clinton. Coach Manning felt that the spring prospects for high placing were very good.

Not to be outdone, the Girls' Golf Team gained first place championship by winning the All-City Tournament held at Esmaralda Golf Course this fall. Coached by Mr. Ron Kovick in the fall, and by Mrs. Charlotte Jones in the spring, the girls also practiced at Downriver and had weekly matches. Among the approximately 12 girls turning out in both seasons, Jean Lamont was the most outstanding golfer. When asked how she thought the team would do in the spring, Jean Lamont replied, "If we are as consistent in the spring as we were in the fall, we have a good chance for the city championship."



Tennis Teams Anticipate Crowns

Shadle Park's varsity boys' tennis team finished second in what coach Vern Page termed "a highly competitive city league season." Dan Yount, number one varsity man, led the S.P. netters compiling a 5-3 individual record.

Mr. Page expressed strong expectations for the spring season, "If the team wants to I think we can be right on top," said the new Highlander coach. Taking the time to view an early practice session in March one could conclude from the high spirits and togetherness that a league title beckoned to every player.

With a team comprised of sophomores, the B squad boys tied for the city championship. The team's 7-3 record greatly pleased coach William Meuler. Mr. Meuler thinks his sophomores will be strong additions to the 1973 varsity squad.

A 5-4 victory over North Central, unbeaten during the two previous years, highlighted the girls' tennis season. The Lassies finished the season tied for first place with North Central High School.

School Board Concerned With Personalizing Students

Acting as Vice-President of the Board is John R. Warn.

The Board of Directors president post is filled by Orville L. Barnes.

Approving funds for a new Career Guidance Center, School District #81 administration and Board of Directors took a major step in advancing individual services to the students of Shadle Park High School.

Also the approval of the Students Rights and Responsibilities Policy was the first main statement regarding student privileges and obligations in the School District's history.

Under the administration of Dr. Albert Ayars, Superintendent of schools, the Board of Directors was concerned with personalizing education and preparing students for responsible citizenship. In addition, the school administration was obligated to provide the students with a setting which would assure optimum learning. Because of these concerns and obligations, funds were also approved for the electronics laboratory, closed circuit television and expansion in the humanities and inter-racial studies area.

Administrators Issue

In September, 1971, Mr. Keith Rostvold, principal, set a challenge in front of the students of Shadle Park High School—a challenge that dared the students to become responsible individuals and yet not so individual that they couldn't become a united body of Shadle Park.

Throughout the year, the school administrators, counselors, and deans worked together as a team with the faculty to help each student meet this challenge, stressing particularly guidance in occupational skills. The Career Guidance Center, with the addition of guidance counselor Robert Cappello, was an indication of this concern with the student as an individual.

Staff Provides Student Helps; Service

Providing services and assistance to the Shadle student body is the common goal of the Learning Resource Center directors and the Shadle office staff.

Learning Resource Center personnel (the new name for the library) aids in the selection of books and also assists teachers in curriculum planning. At the same time they help students develop good study and reading habits.

Name filing, writing out tardy slips, and answering telephones are just a part of the applied techniques used in the school offices. "With the help of student workers, all the offices are being run very efficiently," states Mr. Stockman. Business techniques are learned during the year by Shadle students in cooperation with all staffs. These skills benefit the workers both now and after graduation.

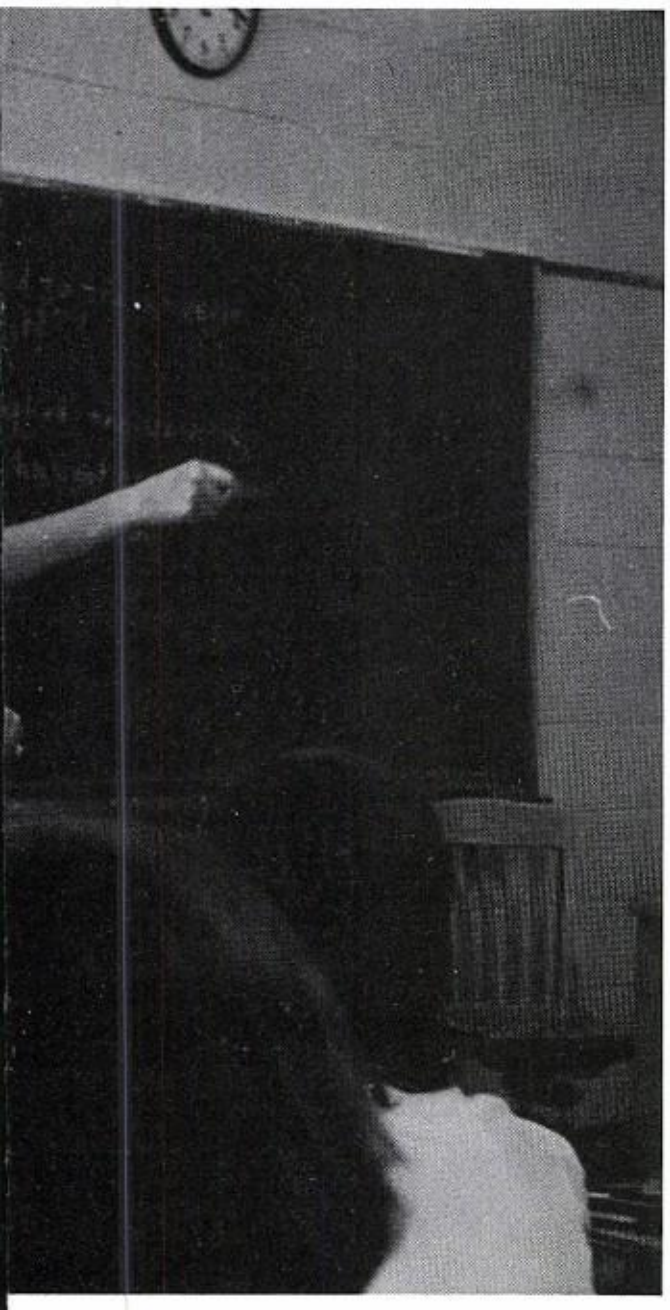
In fact, sometimes they are even drawn out into the parking lot, into their cars, for a quick dash away for lunch during the noon hour. Here, Mr. Vander Wegen pauses before heading out for "two cheeseburgers and a coke."



English Department Revises Curriculum

Major revisions were instigated in the English department for the spring semester as over 30 classes were added to the curriculum. These new electives could be taken in place of the existing requirements, or the regular English 4-6-8 classes were also offered.

Even though the department did not expect an increase in materials or personnel, the change was felt necessary in light of the ever-changing demands of society, according to Mr. Frank Yuse, head of the English department. "We were still on the same budget," he commented, "and the department was limited in materials, available rooms and teachers." He went on to say that the department carried out those changes in spite of this and they were very successful.

Two new teachers were added to the English staff this year. Mr. Ron Kovick taught sophomore English and several of the new electives. Mr. Pete Vander Wegen took over the publications and sophomore English classes, and expanded the journalism department's coverage with several new electives.

Languages Develop Individual Interests

Student comprehension and fluent use of written and spoken languages other than his own is the objective of this year's Foreign Language program at Shadle Park. Mr. Yuse, English Department Head, feels this year's curriculum is particularly effective in catering to individual interests and in developing language skills. With the advantage of a tape recorder in every Foreign Language class, and a tape library containing more than 1000 tapes the individual is able to accustom his ear to hearing the language and then go on to speaking, writing, and understanding it. With this combination of new and old techniques more than 500 students have perfected skills in a foreign language.

Although no changes were made in courses this year, students may expect the addition of courses like Greek and Italian in future curriculums.

Social Studies Offers New Classes

Preparing students for a more mature fashion of living was the goal of the Social Studies department headed by Mr. Don Miller. This goal was met through such new courses as PICI, where the students initiate their own curriculum, and Afro-American History, a nine week mini-course corresponding with World Religions taught by Mrs. Katherine Moore. With these new classes, plus the other department courses giving help, the student may become an effective citizen in the complex and rapidly changing world we live in.

Mr. George Manning summerized the goal, saying "Effective citizenship in the United States today requires the ability to understand and to act on social, economic, political and international affairs."

PICI Students Do Their Own Thing

The Practicum In Community Involvement (PICI) class is open to fifty seniors interested in being involved in community affairs. The main aim of the class is to propose a total concept design for the city of Spokane for 1985. To accomplish this, members of the community are asked to speak and exchange ideas with the students, both in the classroom and in their offices. The class is conducted in an informal atmosphere, in four periods. Students direct their own course of study, spending much time in the community.

The course is unique because Shadle is the only high school in the state offering this class. It tries to bring the senior requirements together in one offering, and tries to apply these directly to the community. A person studying the city budget would recieve an applied math credit. Since the class operates as a city with a true budget, and council, the government and economics credits are included as credits earned. Credits can also be earned in Environmental Science, Applied Sociology, Architectural Design, and Applied Communications.

This experimental class is being offered for the first time in the state, and is planned for those students who want to help better the life of Spokane.

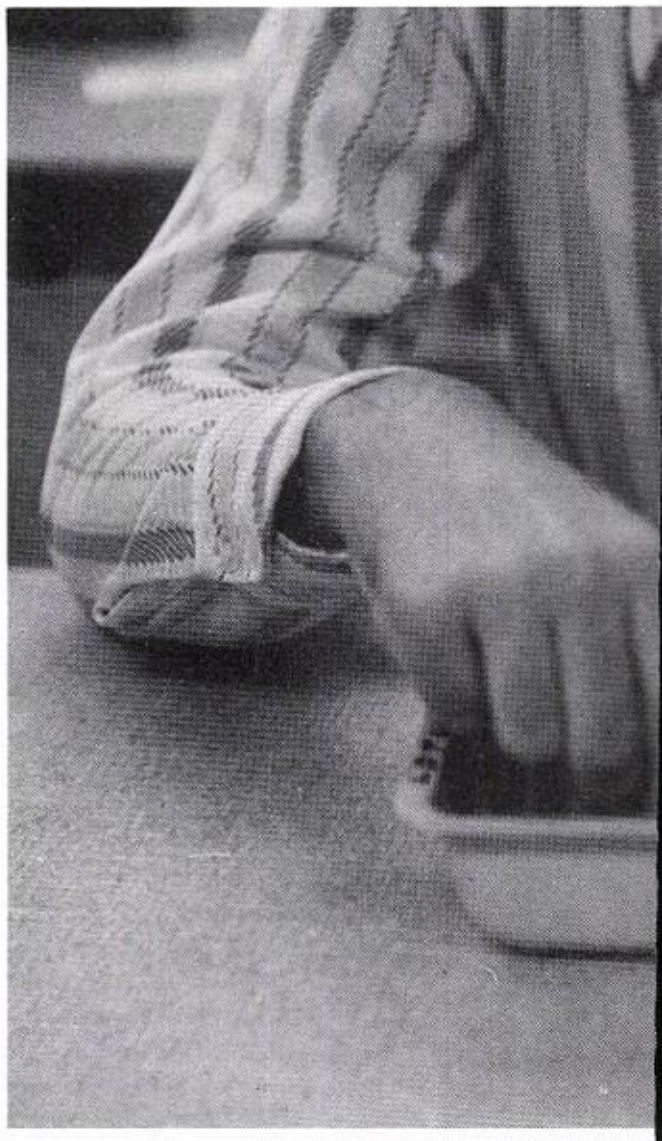
'Merciful' Science Students Enjoy New 9-Week Courses



"Why do we have to cut up this stuff?," was the cry of the merciful biology student on dissection days. A grace to these students were the nine week science courses initiated at Shadle in the fall of '71.

Those who enjoy science found Shadle Park's curriculum offering opportunities to grow microscopic cultures, perform chemistry experiments, and enter projects in science fairs; all in an attempt to gain scientific knowledge from sources other than a text book. Vern Page, new to the science department, said that Shadle classes are successfully working with a relaxed atmosphere.

Math, Business Offer Technical Classes

Striving to serve more non-college bound students, the Shadle Park Business Education and Math Departments included specialized courses for the 1971-72 curriculum.

The Business Education Staff, under the direction of Mr. Ed Feldhusen, offered such practical experience classes as Steno I, Data Processing, Business Machines, and Business Managing and Principles.

"These subjects are essential to the student if he is to become successful in vocations involving secretarial work, computer programming, and other jobs which require technical training," explained Mr. Feldhusen.

This year the Math Department continued Industrial Mathematics. This course deals with mathematics used in the trades. During the second semester, Consumer Related Math was offered for the first time, covering math encountered both on the job and in the home.

Art, Music Classes Combine Talents

Combining their talents, the art and music departments joined forces to sponsor the annual Christmas project in December. The entire school was decorated with mural paintings and families and other guests of the students were entertained by the choir and the orchestra at the Christmas Concert to close the week before vacation.

Mini courses were new to the art department this year and included instruction in leather craft, art appreciation and fabric crafts.

To offer the student a chance to compare his work with others in the state, a National Scholastic Art Showing was held in January. This year, the state award winners were sent to New York to compete on a nationwide basis.

Music department groups performed in five concerts at Shadle in 1972. They also worked individually perfecting marching techniques, concert style, and stage performance, according to Mr. John Harris, department head.

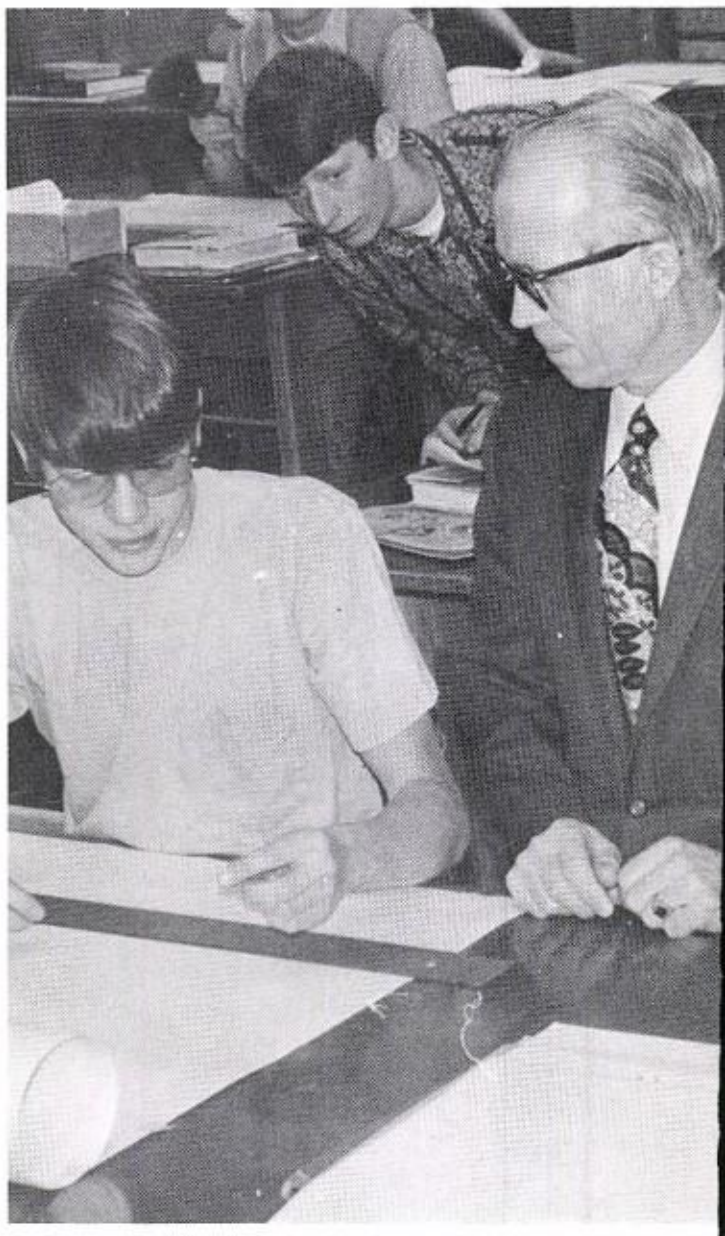
Home Ec., Ind. Arts Depts. Gain Many New Courses



Initiation of four new courses highlighted activities of the Shadle Park Home Economics Department during the fall of 1971. The most unique being Bachelor Living, a course for senior boys. Bachelor Living teaches selection and mending of clothing, cooking, and grooming.

School year '71-'72 also saw the start of three "mini-courses." Cake Decorating, Needle Craft, and Knit Sewing were added to give future housewives specialized knowledge from their high school years. Gone from the department's awards program was the Sterling Award given to the girl judged as the best student of the year. The Betty Crocker Scholarship Tests remained on the curriculum.

As did its "female counterpart," the Industrial Arts Department gained new courses in 1971. Electronics classes for girls was the addition at the end of the first semester. This course was organized for girls interested in electronics but not ready for competition in the boy's classes. Mr. Brandon began a hobbies class to promote interest in scale model construction and wood working.

Phys. Ed, TSE Encounter Changes

Relaxed P.E. uniform requirements and a Traffic Safety Education simulator were changes in these two curricular areas for '71-'72.

In the P.E. department, the boys were no longer required to wear their regular uniforms and the girls, likewise, no longer had to wear their white gym clothes. Bob Morris, P.E. department head, was encouraged that most of the students choose to wear their old uniforms, so there could be easier sectioning of teams and classes.

A new Traffic Safety simulator, which was designed to give the students the same feeling as driving down streets and roads, cut the classes actual driving time by one third. The simulator was located outside in a portable building. Simulators were put into use at Shadle to cut the class's cost so the program could be maintained here at school.

Where Are We Going . . . ?

Where Have We Been . . . ?

Sometimes, not often enough, we reflect upon the good things. And those thoughts always center around those we love. And I think about those people who mean so much to me and for so many years have made me so very happy. And I count the times I have forgotten to say, "thank you" and just how much I love them.

Humanities Studies Highlight Sophs' Year

A study of art, religion and man helped the students enrolled in Shadle's sophomore Humanities classes learn more about the community and the world that they live in. Religion was one unit studied which touched upon all religions of the world, including the major ones in our own area. Small group discussions took place giving each person a chance to give their own view and opinions on the subject being studied.

Science classes gave students a taste of three different fields of study: biology, chemistry, and physics. A full semester was devoted to biology and the second semester was divided between a quarter of chemistry and another quarter of physics.

The physical education department also offered many different activities during the year. Swimming, gymnastics, bowling, golfing, tennis and ice skating were just a few of the things offered to girls. Similar sports were offered to boys' PE classes but, also included were speedball, weight training, and volleyball.

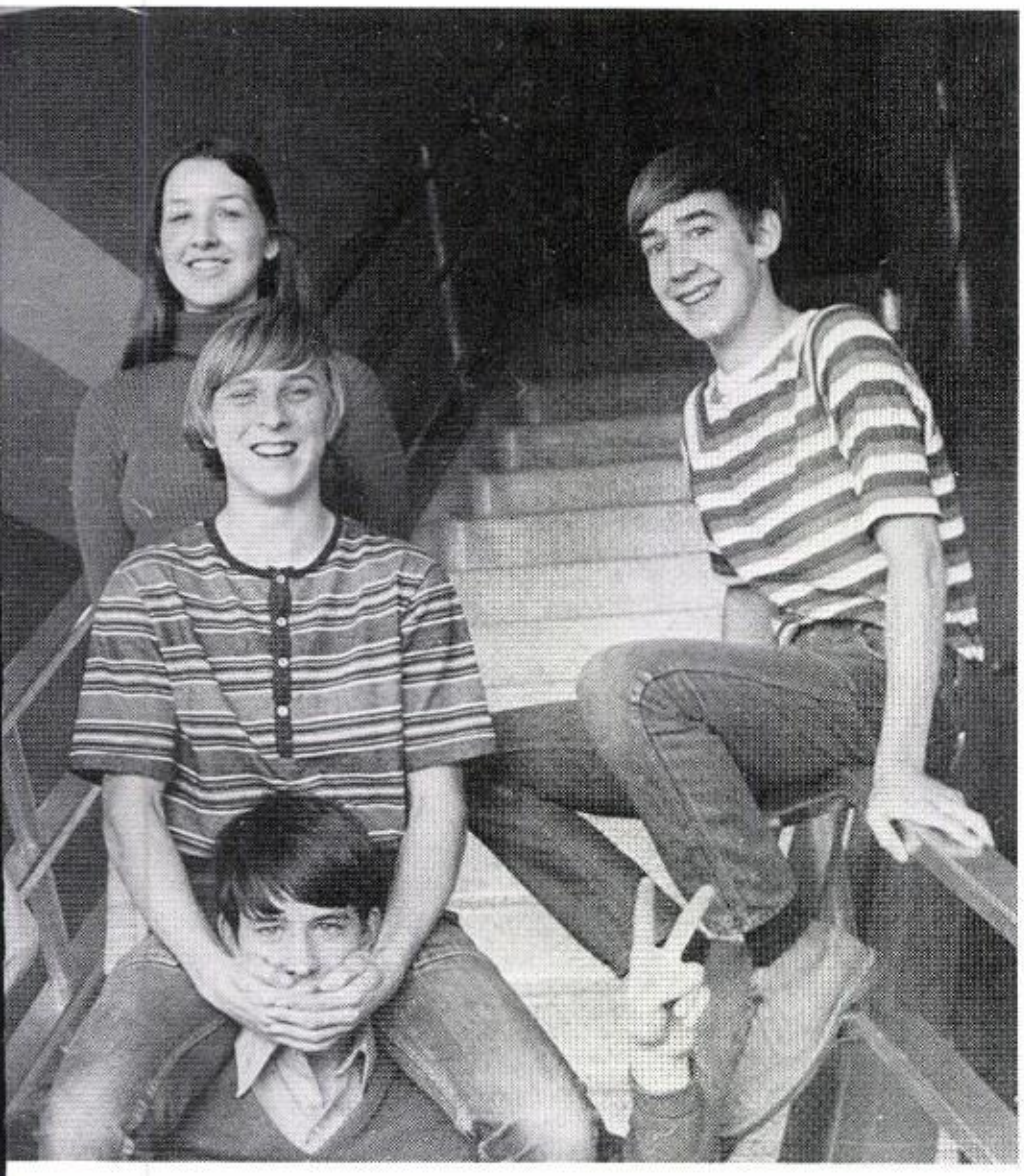
Right: One of the more serious moments of the Class of '73 officers. President Tom Armitage, Secretary Alicia Anderson, Fifth Executive Jon Underhill, and Vice President Mike Sessions. Below: Election time at Shadle draws a multitude of signs and campaign slogans. Many juniors ran for both ASB and Class elections at the semester.

Far right: Writing Santa Mail letters are Sharon Kramer, Geri Bell, and Lisa Froid. Spring semester Class of '73 officers include: back row: Dave Fehler, Fifth Executive; Dave Sessions, Treasurer; and Bruce Groesbeck, President. Front row: Renee Marburger, Secretary; and Ron Brooks, Vice-President.



Active Junior Class Adds to Treasury

The Class of '73 began the year by rapidly increasing the size of their treasury. Among their money making projects were two bottle drives, a car wash, and a very successful doughnut sale.

While others busily did Christmas shopping, many juniors were playing Santa's helpers, answering mail for Kris Kringle. This was a very worthwhile project and received recognition on radio and television. Santa Mail was sent to Santa in care of the high school.

Th existence and the place of the junior prom was also challenged this year by the class and it's officers. A vote taken in the homerooms showed that this was still a significant event in the junior year.

Officers included fall semester President Tom Armitage, Vice President Mike Sessions, Secretary Alicia Anderson, Treasurer Terry Munther and Fifth Executive John Underhill. The spring officers elected in January were Bruce Groesbeck, President, Ron Brooks, Vice President, Renee Marburger, Secretary, Dave Sessions Treasurer and Dave Fehler, Fifth Executive.

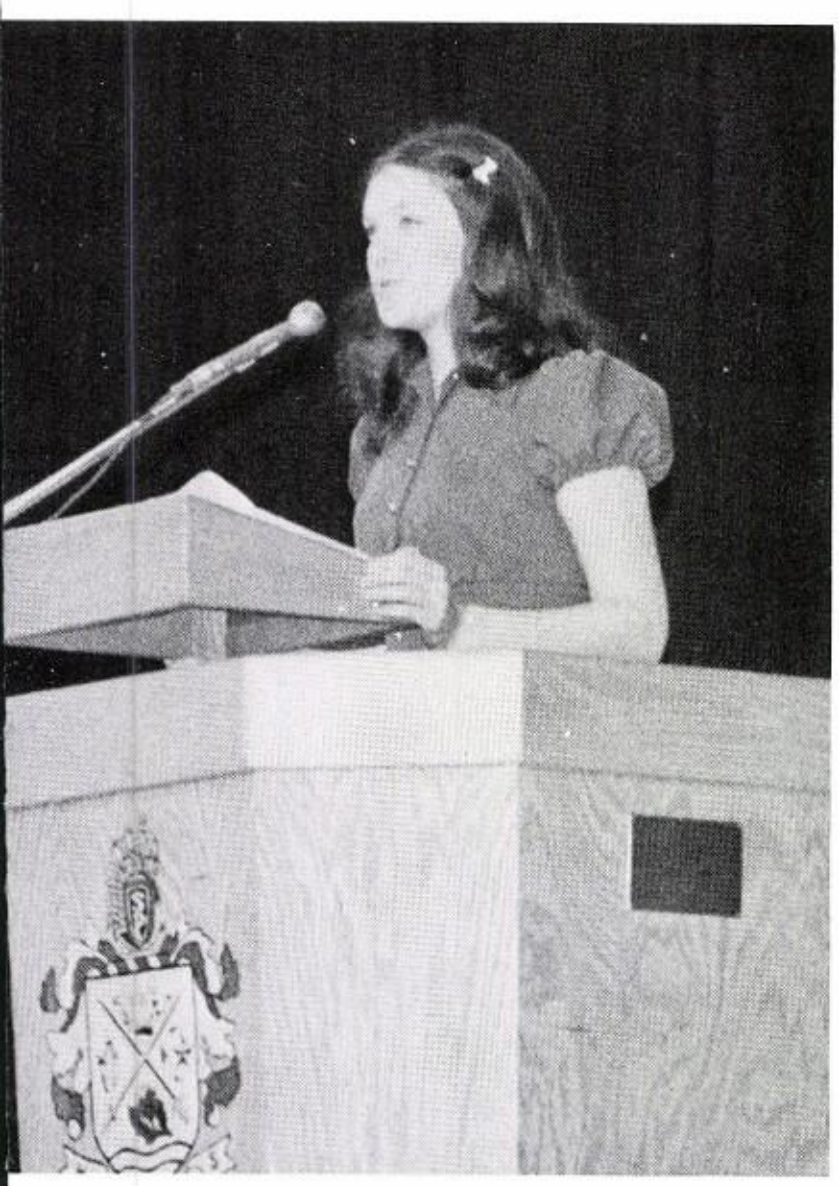
Reminisce Senior Year Activities



Being a Senior isn't bad. We're the varsity, the captains, the leaders and the editors. We're the presidents of just about everything, not to mention the things that we're vp, secretary, treasurer or fifth executive of. We're the cheerleaders and most of the cheering section at any game. We go to all the home games and we try to get to as many away from home as we can. (We even tried chartering a bus to Richland but our luck wasn't too good.)

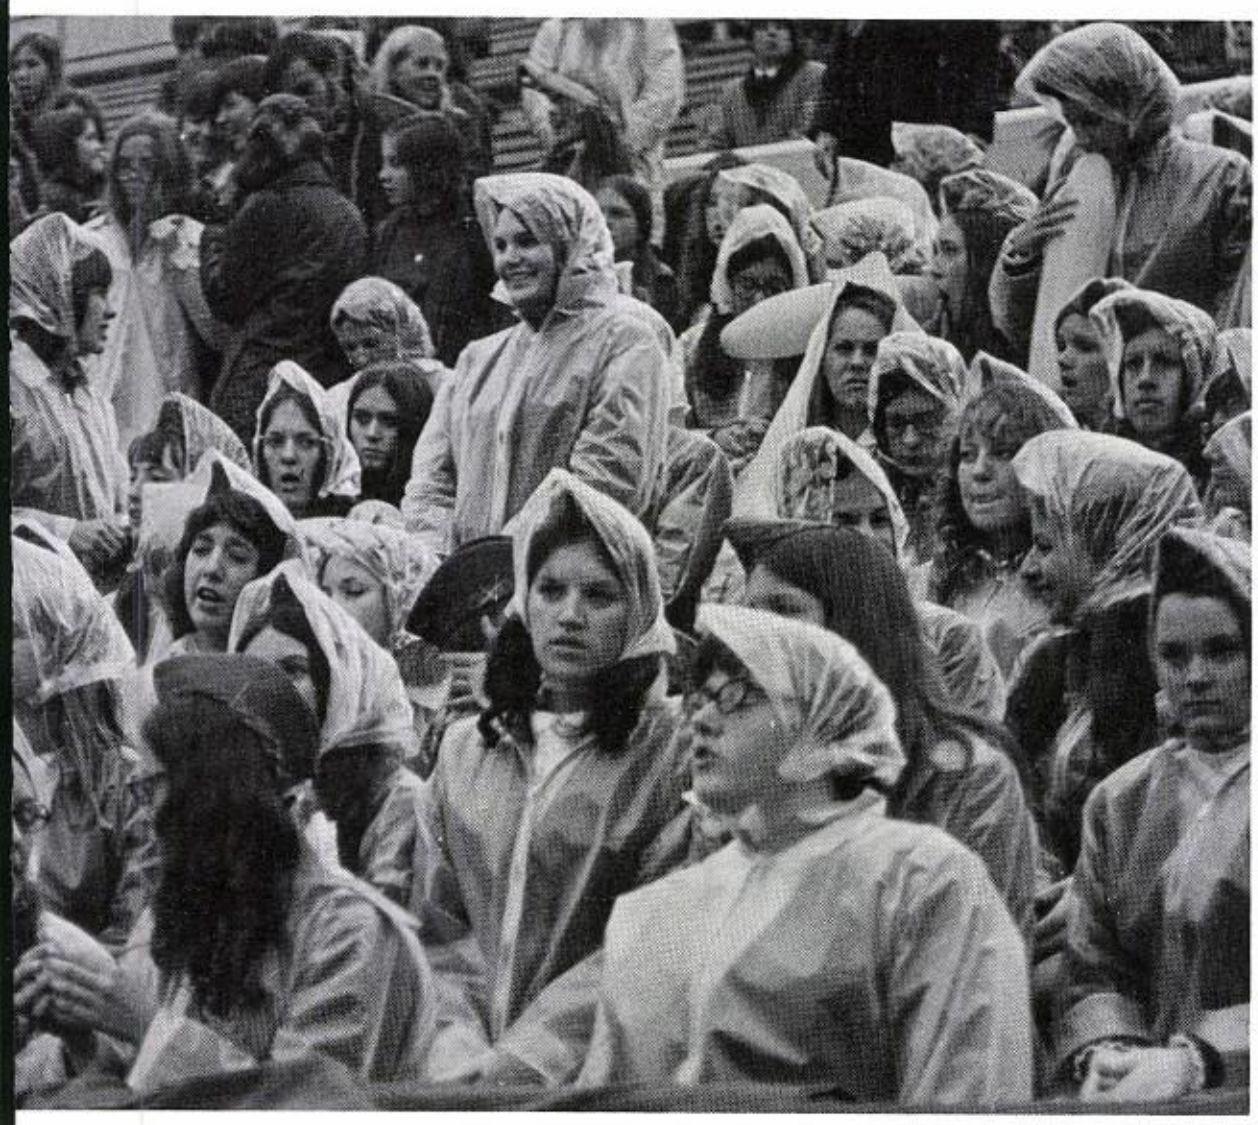
But, why do we do all these things? Because we are the Seniors, and that's OUR crowd out there that we're yelling for. Some of us have been together since kindergarten, and some of our best friends we just met last year. Funny, isn't it how it seems all our life? Everyone calls us the "leaders of the school," (Hi, Mr. Cobb!) and, it makes us feel good. Sometimes we care a lot, and sometimes we get that "who-really-gives-a-big-one" attitude.

Sometimes we feel just like last year's juniors, and once in a while we even act like them. We look at the underclass and sometimes we laugh at them. But, then we remember where we are and that we were the underclass once, and it scares us. Could it possibly be that we have changed that much and that things look different from the top? You know, to look at us now, you might even think that we'd matured since we first came to Shadle.

Our Senior year has really been something too. Probably the first great decision was choosing which of our senior proofs was most beautiful. And, maybe this was finally the year that you 1) got asked out by someone you've liked since your sophomore year, or 2) don't especially care if you go out with that someone again.

Even though it is our last year, we still wait for the weekends. Most of the rest of the year seems like any other except that everyone keeps saying it's our SENIOR year, so we try to think a lot more, and usually end up thinking a lot less.

Then it comes time to get measured for caps and gowns. We finally realize how close the end really is (and what big heads we've got.) We're reminded what little time we have left to do all that we wanted to, so we try to cram a lot into a little at last.



Top left: Many seniors participate in the ASB elections in '72. Here, Cindy Meyer, spring semester secretary relates her views at the impromptu con. Left: It seems that it always rains for at least one football game every year. Seventy-two was no different as these Highlassies will tell you. This game just happened to be with NC.

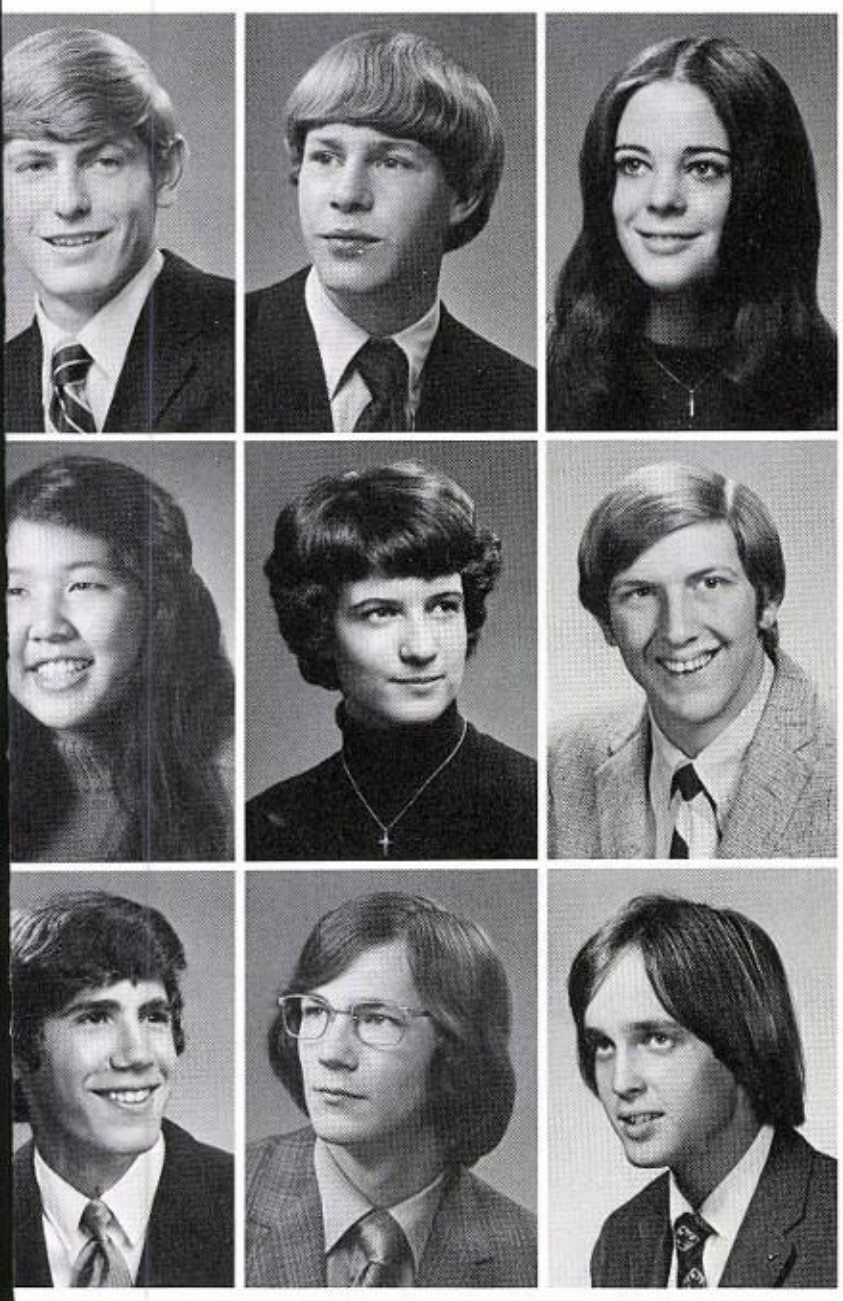
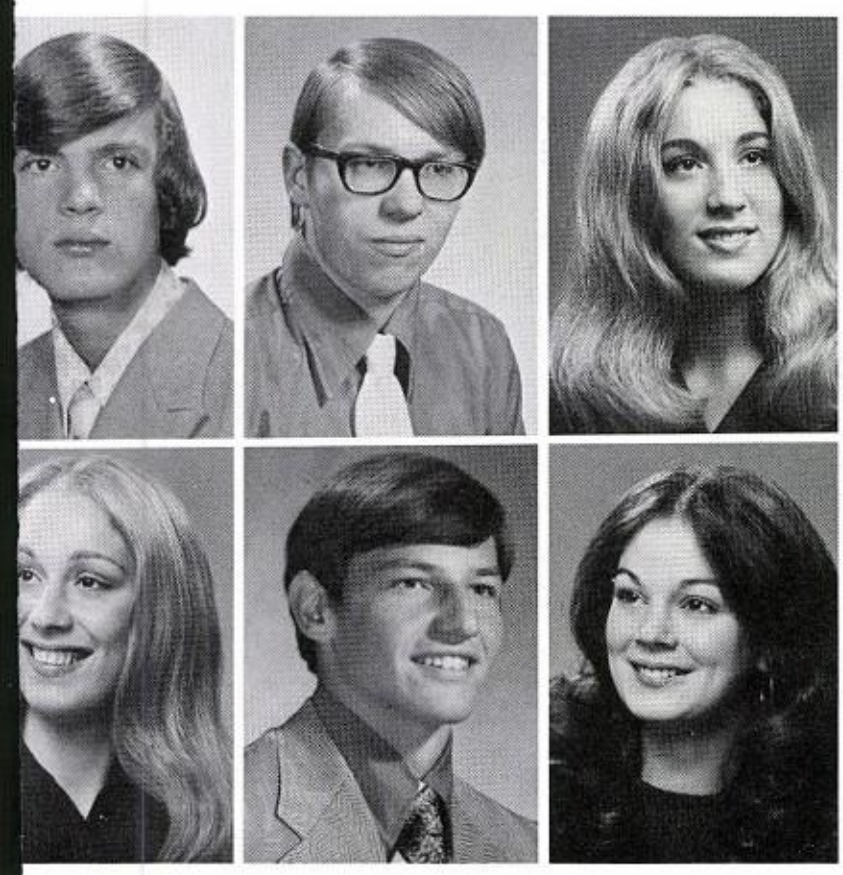
Festivities





Top: Helping decorate the Senior Christmas Tree are Mike Dexter, Mark Jensen, and Debbie Welsh. Annually the Senior Class decorates the Commons tree for the entire student body. Bottom: Christmas Dance provided an enjoyable evening for many seniors. Ray Harding and Nancy Bauer dance to "Everybody's Good Time Band."

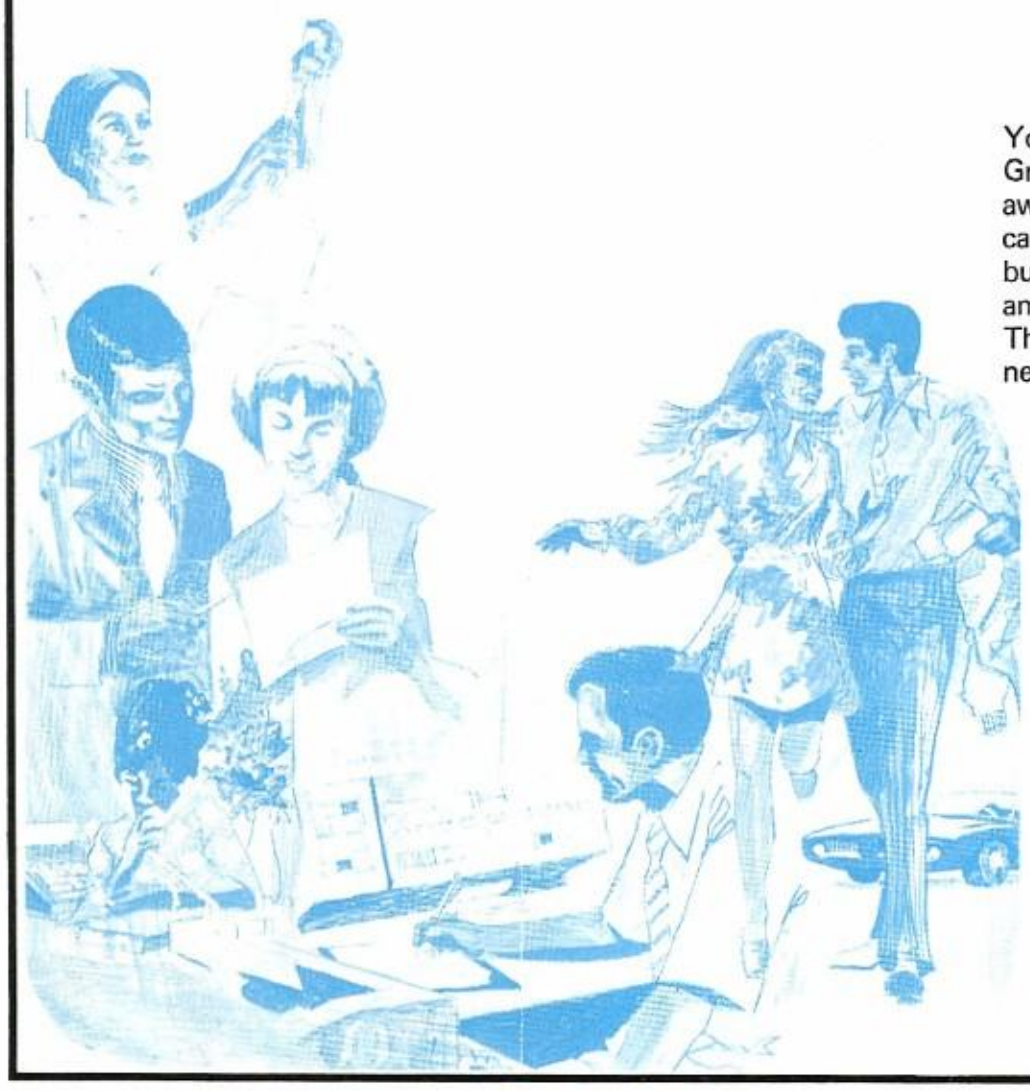
When Graduation is in Sight. . .

Look a Little Further!



You can hardly wait...
Graduation is starting to get close, just a couple of weeks away...or less. But don't stop there, look ahead, past the cap and gown, beyond the flowery speeches and into the business world. The opportunity is there for the alert and ambitious, and it can offer you a full and rewarding career. Think about your goals, and let us give you the start you need...

fare you well.
this day has ended.
what was given here we shall keep
and if it suffices not,
then again we must come together.

— Kahlil Gibran

Dear Bruce
It's been a
Real crazy year and
I'm glad to be
leaving at the end
of it. Harris is trying to
work on the television. We've
never got into
anything terrible but
have a ball putting
out the records.
And I'm literally
writing this
while I'm
supposed to be
doing that.
I hope you do
good. Love me.
Mike
Fred

Tom Bassett

Bruce
I hope you
got good and
drunk this summer
and it has been fun and
far out this year went
bold shitins to
the Hawks
